1. BACKGROUND:

In 1989, pursuant to Ordinance 1884-89, the City of Columbus accepted a plat known as "Dedication of the Extension of Auto Mall Drive, Auto Mall Parkway and Easements and the Vacation of a Portion of Auto Mall Drive and Easements" as recorded in Plat Book 70 Page 77 at the Franklin County Recorder's Office.

Within that plat a 100 year storm drainage easement was established. The easement is over a parcel owned by Hatfield Enterprises, LLC. The Department of Public Service recently received a request from Hatfield Enterprises, LLC, owner of the property for this project, asking that the City release the 100 year storm drainage easement from this property to help clear title and allow for the development of this area.

After receipt of this request the Department of Public Service verified with all the public and private utility companies that there are no public utilities located within this easement and that they have no objections to the release of this easement. The following legislation authorizes the Director of the Department of Public Service to execute those documents necessary to release the 100 year storm drainage easement. A value of \$500.00 was established for the release of this easement.

The City will receive a total of \$500.00, to be deposited in Fund 748, for granting the requested release of this 100 year storm drainage easement.

2. FISCAL IMPACT

The City will receive a total of \$500.00, to be deposited in Fund 748, for granting the easements to be released.

To authorize the Director of the Department of Public Service to execute those documents necessary to release the 100 year storm drainage easement within the plat known as "Dedication of the Extension of Auto Mall Drive, Auto Mall Parkway and Easements and the Vacation of a Portion of Auto Mall Drive and Easements", as recorded in Plat Book 70 Page 77.
