1. BACKGROUND:

The Department of Public Service recently received a request from the property owner, Gary F. and Amy M. Williams, asking that the City release a portion of a platted easement over an area of their property at 5675 Holyoke Lane to clear title so the property owners can add an addition on to their house. The easement was recorded in a plat known as Forest Hills East No. 2, Plat Book 49, Page 89. After receipt of this request the Department of Public Service, Division of Infrastructure Management, verified with all the public and private utility companies that there are no public utilities or need for this easement located within the requested area and that they have no objections to this portion of the easement being released. The following legislation authorizes the Director of the Department of Public Service to execute those documents necessary to release the portions of easement as described below and attached exhibit to allow the area to clear title for this site.

2. FISCAL IMPACT

The City will receive a total of \$500.00 to be deposited in Fund 7748, Project P537650, for releasing the easement so the property can clear title.
