### Rezoning Application Z04-029

**APPLICANT:** Sovereign Development Corporation; c/o Dave Perry, Agent for Applicant, The David Perry Co.; 145 East Rich Street; Columbus, OH 43215 and Donald Plank, Attorney for Applicant; Plank and Brahm; 145 East Rich Street; Columbus, OH 43215.

**PROPOSED USE:** Single-family residential development.

**DEVELOPMENT COMMISSION RECOMMENDATION:** Approval (5-0) on September 9, 2004.

**CITY DEPARTMENTS' RECOMMENDATION:** Approval. The requested L-R-2, Limited Residential District will allow an 89-lot single-family subdivision. The site is within the planning area of the *Southeast Area Plan* (2000), and adjacent to Pickerington Ponds Metro Park. At the time that the Plan was written, it was believed that this site would become part of the Metro Park, and therefore the recommended land use is for parkland. Because of the adjacent single-family developments, a deviation from the recommendation of the Plan is acceptable considering the development complies with the standards of the Plan with regard to lighting controls, storm water control basins, utility lines, and basement construction, and meets the intent of the Plan with homes fronting on Bowen Road and a 185-foot setback from the centerline of the right-of-way. The proposed development is consistent with surrounding single-family residential development.

To rezone **5605 BOWEN ROAD (43110)**, being 17.98± acres located on the west side of Bowen Road, 125± feet north of Canal Highlands Boulevard, **From:** R, Rural District, **To:** L-R-2, Limited Residential District (Rezoning # Z04-029).

**WHEREAS**, application #Z04-029 is on file with the Building Services Division of the Department of Development requesting rezoning of 17.98± acres From: R, Rural District, To: L-R-2, Limited Residential District; and

**WHEREAS**, the Development Commission recommends approval of said zoning change; and

**WHEREAS**, the City Departments recommend approval of said zoning change because the requested L-R-2, Limited Residential District will allow an 89-lot single-family subdivision. The site is within the planning area of the *Southeast Area Plan* (2000), and adjacent to Pickerington Ponds Metro Park. At the time that the Plan was written, it was believed that this site would become part of the Metro Park, and therefore the recommended land use is for parkland. Because of the adjacent single-family developments, a deviation from the recommendation of the Plan is acceptable considering the development complies with the standards of the Plan with regard to lighting controls, storm water control basins, utility lines, and basement construction, and meets the intent of the Plan with homes fronting on Bowen Road and a 185-foot setback from the centerline of the right-of-way. The proposed development is consistent with surrounding single-family residential development, now, therefore:
