Ordinance 1585-2016 granted the Department of Education the authority to enter into contracts with organizations to provide early education programs as part of Early Start Columbus.

The purpose of Early Start Columbus is to expand high-quality prekindergarten services for 4-year-olds living in the City of Columbus. Children who participate in high-quality prekindergarten experiences significantly improve their early literacy, language and math skills. Ample evidence shows that children who enter school unprepared fall farther and farther behind. Students who get a poor start in their earliest years are likely to struggle in high school and, subsequently, fail to graduate.

Mayor Ginther's vision for Columbus, America's Opportunity City, is to create access to a high-quality prekindergarten education for every 4-year-old. Addressing early childhood learning means bringing awareness and resources to a critical learning stage in childhood development. Children who come to school ready to learn are more likely to succeed academically and in life.

For the 2016-2017 school year, Early Start Columbus program providers were appropriated funds based on the number of children that they expected to serve. In some cases, providers were not able to enroll enough students to reach their expected capacity. Because of this, the providers have funds that are unspent, but still encumbered by the original ordinance.

This new ordinance, 1053-2017, gives the Director of the Department of Education the authority to extend the contracts of these providers for up to one year. This extension will allow existing providers to continue providing prekindergarten services under Early Start Columbus until they have spent down their encumbered funds.

FISCAL IMPACT: No additional funds are needed to modify these agreements.

EMERGENCY DESIGNATION: Emergency designation is requested to ensure the contracts are extended before they

expire.

To authorize the Director of Education to modify contracts with the 2016-2017 Early Start Columbus providers to allow them to continue providing prekindergarten services during the 2017-2018 school year, and to declare an emergency.

WHEREAS, the Director of the Department of Education desires to modify 2016-2017 Early Start Columbus contracts; and

WHEREAS, this modification will allow Early Start Columbus providers to continue to provide prekindergarten services; and

WHEREAS, no additional funds are needed to modify this agreement;

WHEREAS, an emergency exists in the usual daily operation of the Department of Education in that it is immediately necessary to authorize the Director to modify said contracts to allow services to continue uninterrupted, all for the preservation of public health, peace, property, and safety; now, therefore
