**Background:** This ordinance authorizes and directs the Finance Director to issue blanket purchase orders for various automotive equipment parts, supplies, accessories, and services for the Fleet Management Division without the use of formal competitive bidding.

Given the diversity of the City's fleet, and the complexity of today's vehicles, it is not possible to anticipate all parts and service requirements that may be needed during the course of serving vehicles. Because of these circumstances, the City must purchase automotive equipment parts, supplies, accessories, and services that are occasionally not available from City-wide (UTC) contracts. To ensure the City receives the best possible prices, the Fleet Management Division solicits quotes by phone or in writing.

**Fiscal Impact:** The Fleet Management Division 2005 operating budget contains \$6.1 million for the purchase of automotive parts and services. This ordinance authorizes and expenditure of \$110,000.00. Expenditures for similar non-contract items in 2004 were \$845,000.00 and \$1,055,000.00 in 2003. A previous ordinance for the purchase of non-contract parts and services totalled \$580,000.00.

**Emergency action** is requested to ensure uninterrupted parts deliveries and service repairs to maintain the City's fleet.

To authorize and direct the Finance Director to issue blanket purchase orders for various automotive equipment parts, supplies, accessories, and services for the Fleet Management Division, to authorize the expenditure of \$110,000.00 from the Fleet Maintenance Services Fund, to waive the competitive bidding requirements of the Columbus City Codes, and to declare an emergency. (\$110,000.00)

**WHEREAS**, the purchase of various automotive parts, supplies, accessories, and services cannot reasonably be anticipated for all vehicles under the purview of the Fleet Management Division, and

**WHEREAS**, it is in the best interest of the City of Columbus to waive formal competitive bidding requirements for the purchase of various automotive equipment parts, supplies, accessories, and services, and

**WHEREAS**, informal bids are solicited whenever practical, and

**WHEREAS**, an emergency exists in the usual daily operation of the Fleet Management Division, Public Service Department, in that it is immediately necessary to arrange for the purchase of various automotive equipment parts, supplies, accessories and services thereby preserving the public health, peace, property, safety, and welfare, now, in which the emergency is set forth and defined in a preamble thereto, therefore,

**BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:**

**Section 1.** That the Finance Director be and hereby is authorized and directed to establish blanket purchase orders for automotive equipment parts, supplies, accessories and services without benefit of formal competitive bidding provided the Fleet Management Division Administrator first authorizes the purchase via the issuance of Fleet Management purchase orders and that the blanket purchase orders are certified from the Auditor's Certificate established by this ordinance and no single purchase exceeds \$20,000.00.

**Section 2.** That the vendors and amounts for parts, supplies and accessories will be certified from the Auditor's Certificate as follows:
