BACKGROUND:

This ordinance authorizes the appropriation of \$725,574.83 and reflects the anticipated expenses for fiscal year 2011 within the Franklin County Municipal Court's Specialty Docket Fund. This expansion of the Specialty Docket will consist of two programs, the

Solicitation Program and the Addiction Program. The Solicitation Program Specialty Docket, Changing Actions To Change Habits (CATCH Program), is intended to provide a mechanism to promote effective treatment as an alternative to incarceration for a person whose multiple solicitation arrests, summons and charges have negatively impacted the person's quality of life and community safety. Many of these individuals have a history of multiple arrests, criminal behavior, drug addiction, poverty and being victimized as a result of soliciting. The CATCH Program requires limited court involvement in treatment planning and compliance, which should result in more effective utilization of other court and county resources.

The Addiction Program Specialty Docket (APSD) is intended to provide a mechanism to promote effective treatment as an alternative to incarceration for a person whose arrests, summons and charges are associated with alcohol and/or chemical dependence (AOD), which negatively impact the person's quality of life and community safety. Many of these individuals have a history of multiple arrests, typically OMVI, criminal behavior, drug addiction, poverty and transient housing. The APSD requires limited court involvement in treatment planning and compliance, which should result in more effective utilization of other county and court resources

Funds are to be used to assist in the support of the Specialty Docket. The intent of these funds is to provide for the purchase personnel, materials and supplies, and services.
