Council Variance Application: CV14-035

APPLICANT: Juliet Bullock, Architect; 1182 Wyandotte Road; Columbus, OH 43212.

PROPOSED USE: Rear single-unit dwelling above a detached garage (carriage house).

VICTORIAN VILLAGE COMMISSION RECOMMENDATION: Approval.

CITY DEPARTMENTS' RECOMMENDATION: Approval. The site is zoned ARLD, Apartment Residential District, and is currently developed with a single-unit dwelling. The requested Council Variance will allow the construction of a rear second dwelling above a three-car detached garage (a carriage house). Other variances include no frontage on a public street and no rear yard for the new dwelling. The lot size of the site would permit a two-unit dwelling; therefore Staff has no issues with two separate single-unit dwellings on this lot. In addition, the requested variance will allow development that is characteristic of this historic Columbus neighborhood, and building design will conform to the Victorian Village Commission requirements. Staff supports the proposed use, which will not add a new or incompatible use to the area.

To grant a Variance from the provisions of Sections 3333.02, AR-12, ARLD and AR-1 apartment residential district use; 3333.055, Exception for single- or two-family dwelling; 3333.16, Fronting on a public street; and 3333.24, Rear yard, of

the Columbus City codes; for the property located at **960 HUNTER AVENUE (43201)**, to permit a rear single-unit dwelling above a detached garage (a carriage house) with reduced development standards on a lot developed with a single-unit dwelling in the ARLD, Apartment Residential District **and to declare an emergency** (Council Variance # CV14-035).

WHEREAS, by application # CV14-035, the owner of the property at **960 HUNTER AVENUE (43201)**, is requesting a Variance to permit a rear single-unit dwelling above a detached garage (a carriage house) with reduced development standards on a lot developed with a single-unit dwelling in the ARLD, Apartment Residential District; and

WHEREAS, Section 3333.02, AR-12, ARLD and AR-1 apartment residential district use, prohibits two single-unit dwellings on one lot, while the applicant proposes to build a single-unit dwelling above a detached garage (carriage house) on the rear of a lot developed with a single-unit dwelling; and

WHEREAS, Section 3333.055, Exception for single- or two-family dwelling, allows one (1) single-unit dwelling or one (1) two-unit dwelling on a lot platted on or before January 14, 1959, while the applicant proposes to construct a single-unit dwelling on the rear of a lot developed with a single-unit dwelling; and

WHEREAS, Section 3333.16, Fronting, requires each dwelling to front on a public street, while the applicant proposes to construct a rear single-unit dwelling that instead fronts on an alley; and

WHEREAS, Section 3333.24, Rear yard, requires a rear yard totaling no less than twenty-five (25) percent of the total lot area, while the applicant proposes no rear yard for the rear single-unit dwelling; and

WHEREAS, the Victorian Village Commission recommends approval; and

WHEREAS, City Departments recommend approval because the requested variance will allow development that is characteristic of this historic Columbus neighborhood, and building design will conform to the Victorian Village Commission requirements. The lot size of the site would permit a two-unit dwelling; therefore Staff has no issues with two separate single-unit dwellings on this lot. Staff supports the proposed use, which will not add a new or incompatible use to the area.

WHEREAS, said ordinance requires separate submission for all applicable permits for the proposed use; and

WHEREAS, said variance will not adversely affect the surrounding property or surrounding neighborhood; and

WHEREAS, the granting of said variance will not impair an adequate supply of light and air to adjacent properties or unreasonably increase the congestion of public streets, or unreasonably diminish or impair established property values within the surrounding area, or otherwise impair the public health, safety, comfort, morals, or welfare of the inhabitants of the City of Columbus; and

WHEREAS, the granting of said variance will alleviate the difficulties encountered by the owner of the property located at **960 HUNTER AVENUE (43201)**, in using said property as desired; and

WHEREAS, an emergency exists in the usual daily operation in the City of Columbus in that it is immediately necessary to pass this ordinance to begin construction as soon as possible for the immediate preservation of the public peace, property, health and safety; now, therefore:
