BACKGROUND: The Columbus Division of Fire received a grant award from the Ohio Division of Emergency Medical Services (EMS) to purchase training and patient care equipment. It is necessary to accept the grant and appropriate the funds. The Fire Division has received funding from this source for many years. Some recent examples of items purchased have included EMS training manuals and cervical immobilization devices.

Emergency Designation: We are currently in the grant cycle and would like to make purchases in a timely manner.

FISCAL IMPACT: This ordinance authorizes the Fire Chief to accept a grant in the amount of \$5,500 from the Ohio Division of EMS for training and patient care equipment. There is no matching requirement from the General Fund.
