**1. BACKGROUND:** This legislation authorizes the Director of Public Utilities to renew an existing service agreement with RAMA Consulting Group, Inc. for the Blueprint Columbus Community Outreach Project, CIP 650004-100003. The services provided in the Blueprint Columbus Community Outreach project consist of supporting the implementation of Blueprint Columbus in multiple project areas. This work includes educating and informing residents about the Blueprint problems being addressed; providing adequate notification of the work being performed; advising the City regarding residents' concerns; and providing training or additional support for contractors, City field staff and other staff as needed. Future modifications / renewals are planned.

**1.1 Amount of additional funds to be expended: \$ 352,815.00**

Original Contract	\$ 467,348.04	PO180782
<u>Renewal #1(current)</u>	<u>\$ 352,815.00</u>	
<b>CONTRACT TOTAL</b>	<b>\$ 820,163.04</b>	

**1.2. Reasons additional goods/services could not be foreseen:**

This is a planned contract modification/renewal and the additional services were identified in the original contract ordinance.

**1.3. Reason other procurement processes are not used:**

Re-bid of the project will likely result in a higher project costs as much of the project history would be lost and would need to be rediscovered by another consultant unless the new RFP were won by the same consultant. In such a case, we would have missed significant time in acquiring and evaluating the new proposals without significant benefit.

**1.4. How cost of modification was determined:**

A cost estimate for the proposed scope of work was prepared by RAMA Consulting Group and reviewed by DOSD.

**2. PROJECT TIMELINE:** This renewal is year 2 of a two year contract. The active Blueprint Neighborhoods targeted for Outreach during this contract year are: Clintonville 1, North Linden 1, Hilltop 1, Hilltop 4, Miller Kelton, 5th x Northwest, and Clintonville 3.

**3. EMERGENCY DESIGNATION:** An emergency designation **is not requested** at this time.

**4. CONTRACT COMPLIANCE NUMBER:** 20-4647970 | MBE | Exp. 3/31/2021 | Vendor # 001370

**5. ENVIRONMENTAL IMPACT:** Administration of the Blueprint Community Outreach contract ensures community input is received and utilized to design the best solutions for unique neighborhood needs. Not only does this help Blueprint develop comprehensive solutions for our communities, it also helps create an efficient process that reduces excessive costs resulting from engineering redesigns and timeframe extensions associated with addressing resident concerns through a less formal process.

**6. FISCAL IMPACT:** This ordinance authorizes the transfer within, appropriation, and the expenditure of up to of \$352,815.00 from the Sanitary Sewer General Obligation Bond Fund 6109 and an amendment to the 2019 Capital Improvements Budget.
