1.0 BACKGROUND: This Ordinance authorizes the Director of Public Utilities to modify and increase the General Engineering Services agreement with GPD Group, Inc., for the Division of Power, in the amount of \$150,000.00.

The Division of Power requires professional services to assist Division personnel on a myriad of issues which cannot be provided exclusively by City personnel. Services may be required in the preliminary planning stages through the design and construction stages depending upon the nature of the project.

The planning area is "N/A" since work is performed on various projects throughout Columbus.

1.1 Amount of additional funds to be expended: \$150,000.00

Original Agreement:	\$ 150,000.00	(PO054007)
Modification No. 1 (current):	<u>\$ 150,000.00</u>	
Total (Orig. + Mod. 1)	\$ 300,000.00	
Modification No. 2 (future):	<u>\$ 150,000.00</u>	
Total (Orig. + Mods 1-2):	\$ 450,000.00	

1.2. Reasons additional goods/services could not be foreseen:

Modification No. 1 (current) is needed to encumber additional funding for the first year of the agreement. (The original agreement encumbered in January 2017 is nearly depleted of its funds. This modification is expected to cover projects until the modification in 2018 is requested.)

1.3. Reason other procurement processes are not used:

The original professional services agreement was bid out. An original agreement plus two annual modifications were planned.

1.4. How cost of modification was determined:

\$150,000.00 is an estimated amount expected to cover projects until the next modification is approved in 2018.

2.0 ECONOMIC IMPACT/ADVANTAGES; COMMUNITY OUTREACH; PROJECT DEVELOPMENT; ENVIRONMENTAL FACTORS/ADVANTAGES OF PROJECT:

This is a contract for needed supplemental engineering for the Division of Power's various CIP projects, studies required by OSHA and PERRP i.e. Arc Flash Hazard Analysis, and possibly to reduce backlog of DOP's routine engineering that may arise from unexpected work force reduction and/or greater than normal workload volume. As such, it will not have any economic impact, but it will include community outreach if it is used for projects that typically solicit input from the community.

3.0 CONTRACT COMPLIANCE INFO: The Contract Compliance Number for GPD Group, Inc. is 34-1134715 (expires 6/29/19, Majority, DAX #6560). Additional information regarding all bidders, description of work, contract time frame and detailed amounts can be found on the attached Information form.

Searches in the Excluded Party List System (Federal) and the Findings for Recovery list (State) produced no findings against GPD Group, Inc.

4.0 FUTURE MODIFICATION(S): Two modifications to the agreement are expected, however, depending on Division needs, a third may be possible. Modification No. 2 is expected to occur in 2018.

5.0 FISCAL IMPACT: A transfer of funds within the Electricity Build America Bonds (BAB's) Fund and the Electricity G.O. Bonds Fund will be necessary as well as an amendment to the 2017 Capital Improvements Budget.
