### BACKGROUND:

To maintain insurance programs in accordance with the negotiated labor contracts, additional funding of the prescription drug insurance program is necessary to insure continuation of the prescription drug insurance program. Cost estimates were based on 2011-12 trust fund expenditures using a three year average of actual city utilization, expected changes due to union negotiations, as well as input from insurance carriers and from the City's employee benefits consultant. The contract is for a three-year period, subject to annual appropriation; this ordinance represents the second year.

Contract compliance number is 31-1142815
