The City of Columbus, Public Service Department, Transportation Division, is engaged in the Morse Road Improvement project. The purpose of this project is to create a gateway into the Northland community by controlling vehicular access and circulation, enhancing landscaping, upgrading lighting and providing pedestrian access to the businesses and amenities located along the Morse Road corridor between Indianola Avenue and Cleveland Avenue. Improvements contemplated by this project are a landscaped median, curb and gutters, street trees, sidewalks, improved streetlights and traffic signals and pedestrian crossing upgrades at intersections. This project has been divided into two phases, Phase 1 from Indianola Avenue to Karl Road and Phase 2 from Karl Road to Cleveland Avenue. Acquisitions and construction for Phase 1 have been completed. The City is now engaged in the acquisition of those parcels

needed for Phase 2 construction. Ordinance 1762-2005 established preliminary funding in the amount of \$1,000,000.00 for Phase 2 acquisition related activities and authorized the City Attorney's office to acquire the necessary parcels. The City Attorney's Real Estate Division staff recently notified the Transportation Division an additional \$300,000.00 would be required to complete acquisition of the right-of-way needed for Phase 2. This legislation authorizes the City Attorney to expend an additional \$300,000.00, or so much thereof as may be necessary, to complete acquisition of fee simple title and lesser interests in and to property needed for Phase 2 of this improvement project.

Fiscal Impact: Monies to pay for these costs are available within the 2006 CIB in the 1995, 1999, 2004 Voted Streets and Highways Fund. This ordinance transfers the amount of these additional Right of Way costs to the Federal-State Highway Engineering Fund where it is appropriated and authorized for expenditure.

Emergency Justification: Emergency action is requested to allow the Real Estate Division to continue acquisition of the necessary right-of-way without delay so the City can proceed with the installation of the proposed improvements and upgrades as currently scheduled.

To amend the 2006 CIB; to authorize the transfer of funds between projects within the 1995, 1999, 2004 Voted Streets and Highways Fund; to authorize its transfer to and appropriation within the Federal State Highway Engineering Fund; to authorize the City Attorney to expend an additional \$300,000.00 for acquisition related activities including the acquisition of fee simple title and lesser interests in and to property needed for Phase 2 of the Morse Road Improvement project from the Federal State Highway Engineering Fund; and to declare an emergency. (\$300,000.00)

WHEREAS, the City of Columbus is engaged in the Morse Road Improvement project; and

WHEREAS, the purpose of this project is to create a gateway into the Northland community by controlling vehicular access and circulation, enhancing landscaping, upgrading lighting and providing pedestrian access to the businesses and amenities located along the Morse Road corridor between Indianola Avenue and Cleveland Avenue; and

WHEREAS, improvements contemplated by this project are a landscaped median, curb and gutters, street trees, sidewalks, improved streetlights and traffic signals and pedestrian crossing upgrades at intersections; and

WHEREAS, the City Attorney's office has completed the right-of-way acquisitions for Phase 1 of this project; and

WHEREAS, the City Attorney's office is now engaged in the acquisition of those parcels needed for Phase 2 construction; and

WHEREAS, Ordinance 1763-2005, passed January 9, 2006, established initial funding in the amount of \$1,000,000.00 for Phase 2 acquisition related activities; and

WHEREAS, the City Attorney's Real Estate Division staff recently notified the Transportation Division an additional \$300,000.00 would be required to complete acquisition of the right-of-way needed for Phase 2 of this project; and

WHEREAS, the following legislation authorizes the City Attorney to expend an additional \$300,000.00, or so much thereof as may be necessary to complete the acquisition of fee simple title and lesser interests in and to property needed for Phase 2 of this improvement project; and

WHEREAS, it is necessary to transfer monies within and between funds and appropriate it within the fund to which it has been transferred; and

WHEREAS, this ordinance amends the 2006 Capital Improvements Budget; and

WHEREAS, an emergency exists in the usual daily operation of the Public Service Department, Transportation Division, in that it is immediately necessary to authorize the City Attorney to expend the additional funds necessary to complete acquisition related activities for this phase of this improvement project so that construction can begin without delay thereby preserving the public health, peace, property, safety and welfare; now, therefore

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:
