BACKGROUND:

To maintain insurance programs in accordance with the negotiated labor contracts, additional funding of the life insurance program is necessary to insure continuation of employee insurance coverage. Cost estimates were based on 2014-15 trust fund expenditures using a three year average of actual city utilization, expected changes due to union negotiations, as well as input from insurance carriers. The Consumer Life Insurance Company contract is a three year contract, subject to annual appropriations; this ordinance represents the third year.

Emergency action is requested to ensure the life insurance program for city employees is able to commence as soon as contractually possible, thereby maintaining continuity of service.

Contract Compliance number: 21-0706531

FISCAL IMPACT: To modify and extend the contract with Consumers Life Insurance Company to establish the maximum obligation liability, and to authorize the expenditure of \$1,200,000 for life insurance services from February 1, 2016, through January 31, 2017. Funding is available in the 2016 budget for this contract. This ordinance is an emergency measure to ensure continued insurance coverage as negotiated by union contracts. Contingent on the passage of ordinance 3114-2015.
