**BACKGROUND:** This legislation authorizes the Director of Public Safety to pay the City of Columbus' proportionate share for the operation and administration of the Franklin County Emergency Management and Homeland Security program (FCEMHS). The FCEMHS is responsible for managing the outdoor warning siren system within Franklin County not only by coordinating siren locations but also for their maintenance, relocation, replacement and activation. The Agency's operational activities also include planning for disaster recovery and public education and exercises. The city's participation with FCEMHS is in accordance with State law. All activities of the agency are supported by local government funds and some federal grants.

**Emergency Designation:** Emergency designation will ensure timely payments to FCEMHS.

**FISCAL IMPACT:** This ordinance authorizes an expenditure of \$542,920.00 from the 2010 General Fund operating budget for the administration of the Franklin County Emergency Management and Homeland Security program. The City's proportionate share is

approximately a 5.9 percent increase over last year's share. The majority of this year's funds, or \$463,720, represents operational and administrative support and \$79,200 represents maintenance costs for the outdoor warning sirens. The city spent \$505,105 in 2009 on the FCEMHS program and \$490,971 in 2008.

To authorize and direct the Director of the Department of Public Safety to pay the City's proportionate share for operational and administrative support activities of the Franklin County Emergency Management and Homeland Security program; to authorize the expenditure of \$542,920.00 from the General Fund; and to declare an emergency. (\$542,920.00)

**WHEREAS**, the FCEMHS is responsible for managing the outdoor warning siren system within Franklin County not only by coordinating siren locations but also for their maintenance, relocation, replacement and activation; and

**WHEREAS**, at this time each year the FCEMHS provides local communities with the amount of their proportionate share for the operational and administrative support activities of the agency; and

**WHEREAS**, this ordinance is necessary to authorize the payment of the City's proportionate share and siren maintenance fees of \$542,920.00 for the management of the agency according to State law; and

**WHEREAS**, an emergency exists in the usual daily operation of the Department of Public Safety in that it is immediately necessary to expend funds for the aforementioned purpose for the preservation of the public health, peace, property, safety, and welfare and to ensure timely payments to the Franklin County Commissioners; Now, Therefore

**BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:**

**SECTION 1.** That the Director of Public Safety be and is hereby authorized and directed to pay the Franklin County Emergency Management and Homeland Security for the City of Columbus' proportionate share of outdoor warning siren system maintenance costs.
