**Background:** This legislation authorizes the Finance and Management Director to enter into a contract on behalf of the Office of Construction Management with R.W. Setterlin Building Company in the amount of \$7,826,500 for the construction of a new fueling facility to be located at 5115 Krieger Court.

This new fueling facility will include a complete compressed natural gas (CNG) fueling center, which will be open to the public for CNG fueling needs. In addition to CNG, this new fueling facility will also contain a petroleum fueling center whereby both unleaded and diesel fuel will be dispensed from above ground storage tanks. These above ground storage tanks will include a 1,000 gallon gasoline tank and a 6,000 gallon diesel tank. Only city vehicles will be allowed access to the petroleum fueling section of the new fueling facility.

Primary users of this fueling facility include the Public Service Refuse Collection Division, the Public Service Infrastructure Management Division, as well as Fire Station 31. This fueling complex will be open to all city divisions 24/7 as well as other municipal agencies that have a shared services agreement with the city. Once completed, the city will be able to close five current city fuel sites that will no longer be needed.

The Department of Finance and Management, Office of Construction Management, solicited bids for construction through Bid Express from March 1, 2016 thru April 4, 2016. The City received one formal bid on April 4, 2016 as follows (0 FBE, 0 MBE):

R.W. Setterlin Building Company      \$7,826,500.00

The Office of Construction Management recommends the bid award be made to the best bidder, R.W. Setterlin Building Company.

**Contract Compliance:** R.W. Setterlin Building Company, 31-0836188, expires 2/24/19.

**Fiscal Impact:** This ordinance authorizes certification and transfer of \$1,500,000.00 from the Special Income Tax Fund and \$6,326,500.00 from the Fleet Management Capital Fund, for a combined total of \$7,826,500.00, with R.W. Setterlin Building Company for the construction of a new fueling facility at 5115 Krieger Court. The Fleet Management Division budgeted \$7,826,500.00 in the capital fund for this construction; however bonds in the amount of \$1,500,000.00 have not yet been sold by the City, thus the need for a Special Income Tax fund certification.

**Emergency Action:** Emergency action is requested so that contracting, mobilization, and actual construction can begin as soon as possible.
