**BACKGROUND:**

This legislation authorizes the Director of the Department of Technology (DoT) to continue an agreement with Contrado BBH Holdings LLC (dba Bell and Howell, LLC) for annual maintenance and support for the Enduro Mail Inserter and JetVision envelope transport equipment and software. The original agreement (FL003943) was authorized by ordinance 0079-2008, passed February 25, 2008. The agreement was most recently renewed by authority of ordinance 1289-2013, passed July 15, 2013, through purchase order EL014656. This agreement will provide service for the period August 1, 2014 to July 31, 2015, at a cost of \$31,070.00.

The equipment and software are located at the Jerry Hammond Center, 1111 East Broad Street, and is used to process mailings for DoT's city department customers, including the Columbus Income Tax Division. Bell and Howell is the only factory trained and authorized service provider for the Enduro and JetVision systems. There are no third party companies approved by Bell & Howell for equipment sales, installation, software or maintenance services, or upgrades on the Enduro Mail Inserter or JetVision systems, as it is proprietary equipment. Accordingly, Bell & Howell is the sole source of supply for upgrades, maintenance and support services for this equipment and software. For this reason, this ordinance is being submitted in accordance with the provisions of Sole Source procurement of the City of Columbus Code, Section 329.07.

**FISCAL IMPACT:**

In 2012 and 2013 the cost was \$29,907.00 and \$31,070.00 respectively. Funds were budgeted and are available within the Department of Technology, Information Services Division, internal service fund. The 2014 cost of associated with this service is \$31,070.00, bringing the aggregate total contract amount to \$454,424.10.
