FISCAL IMPACT: Funding to establish this option contract is from the General Fund. City Agencies will be required to

obtain approval to expend from their own appropriations for their estimated annual expenditures.

WHEREAS, this ordinance addresses Purchasing objective of 1) maximizing the use of City resources by obtaining optimal products/services at low prices and 2) encouraging economic development by improving access to City bid opportunities and 3) providing effective option contracts for City agencies to efficiently maintain their supply chain and service to the public; and

WHEREAS, HVAC Maintenance and Repair Services are used to maintain a controlled climate for the City's technology resources, this is being submitted for consideration as an emergency measure; and
