Council Variance Application: CV10-009

APPLICANT: Columbus Housing Partnership; c/o Carrie Hiatt; 562 East Main Street; Columbus, OH 43215.

PROPOSED USE: A five-unit apartment building and a two-unit dwelling on one lot.

NEAR EAST AREA COMMISSION RECOMMENDATION: Disapproval.

CITY DEPARTMENTS' RECOMMENDATION: Approval. The site is undeveloped and zoned in the R-2F, Residential District. The requested Council variance will allow the construction of a five-unit apartment building and a two-unit dwelling on one lot. A variance is necessary because the R-2F, Residential District, allows one dwelling with a maximum of two units on each lot. Variances for area district requirements, building lines, minimum side yard, building height, vision clearance, and for four required parking spaces are included in the request. A hardship exists because there is no zoning district that allows both a five-unit apartment and 2-unit dwelling on one lot, and the configuration of the site having two street frontages poses challenges for compliance with yard and setback requirements. The site is located within the planning area of *The Near East Area Plan (2005)*, which recommends higher-density residential and mixed-use development for the site. The Plan also includes a number of residential design-related recommendations. The applicant has committed to elevation drawings which ensure compatibility with the Plan recommendations and incorporate architectural features of neighboring homes.

To grant a Variance from the provisions of Sections 3332.037, R-2F, Residential District; 3312.49, Minimum number of parking spaces required; 3332.14, R-2F Area District Requirements; 3332.21, Building lines; 3332.26, Minimum side yard permitted; 3332.29, Height district; and 3332.30, Vision clearance, of the Columbus City Codes, for the property located at **1072 EAST LONG STREET (43203)**, to permit a five-unit apartment building and a two-unit dwelling with reduced development standards on one lot in the R-2F, Residential District (Council Variance # CV10-009)....**and to declare an emergency.**

WHEREAS, by application No. CV10-009, the owner of the property at **1072 EAST LONG STREET (43203)**, is requesting a Council Variance to permit a five-unit apartment building and a two-unit dwelling with reduced development standards on one lot in the R-2F, Residential District; and

WHEREAS, Section 3332.037, R-2F, Residential District Use, permits one single-family or one two-family dwelling on a lot, while the applicant proposes a five-unit apartment building and a two-unit dwelling on one lot; and

WHEREAS, Section 3312.49, Minimum number of parking spaces required, requires 1.5 parking spaces per dwelling unit, or eleven (11) spaces, while the applicant proposes seven (7) parking spaces; and

WHEREAS, Section 3332.14, R-2F Area District Requirements, requires a two-story two-unit dwelling to be situated on a lot of no less than three thousand (3,000) square feet in area per dwelling unit, while the applicant proposes to construct a five-unit apartment building and a two-unit dwelling on one lot that contains 9,453± square feet which equals 1,351± square feet in area per dwelling unit; and

WHEREAS, Section 3332.21, Building lines, requires the setback to be the average distance of building setbacks on contiguous lots or parcels, but in no case less than ten (10) feet, while the applicant proposes building lines of eight (8) feet along East Long Street and three (3) feet along North Twenty-First Street; and

WHEREAS, Section 3332.26, Minimum side yard permitted, requires a minimum side yard of no less than five (5) feet, while the applicant proposes a minimum side yard of three (3) feet along the west property; and

WHEREAS, Section 3332.29, Height district, requires that no building or structure shall exceed a height of thirty-five (35) feet, while the applicant proposes a maximum building height of thirty-six (36) feet for Building A and 36.5 feet for Building B; and

WHEREAS, Section 3332.30, Vision clearance, requires that a clear vision triangle shall be maintained on each residential lot adjacent to a street intersection, while the applicant proposes to encroach into the clear vision triangle for Building B at the intersection of East Long Street and North Twenty-First Street as shown on the site plan; and

WHEREAS, the Near East Area Commission recommends **disapproval of the request because the stipulation that if any brick in the alley is disturbed, that the brick be saved and reinstalled to the current alley elevation cannot be met. The existing alley is surfaced with asphalt, and the Department of Public Service will not approve the alley being returned to brick for this short segment; and**

WHEREAS, City Departments recommend approval because the requested Council variance will allow a seven-unit multi-family residential development that is consistent with the land use and residential design recommendations of *The Near East Area Plan (2005)*. A hardship exists because there is no zoning district that allows both a five-unit apartment and 2-unit dwelling on one lot, and the configuration of the site having two street frontages poses challenges for compliance with yard and setback requirements; and

WHEREAS, said ordinance requires separate submission for all applicable permits and Certificate of Occupancy for the proposed use; and

WHEREAS, said variance will not adversely affect the surrounding property or surrounding neighborhood; and

WHEREAS, the granting of said variance will not impair an adequate supply of light and air to adjacent properties or unreasonably increase the congestion of public streets, or unreasonably diminish or impair established property values within the surrounding area, or otherwise impair the public health, safety, comfort, morals, or welfare of the inhabitants of the City of Columbus; and

WHEREAS, an emergency exists in the usual daily operation in the City of Columbus in that it is immediately necessary to pass this ordinance to begin construction as soon as possible for the immediate preservation of the public peace, property, health and safety; and)

WHEREAS, the granting of said variance will alleviate the difficulties encountered by the owners of the property located at **1072 EAST LONG STREET (43203)**, in using said property as desired; now, therefore:

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:
