Background:

This ordinance authorizes the appropriation of \$150,000 from the Franklin County Municipal Court Computer Fund to purchase and install a VOIP telephone system to replace existing out of date and inadequate equipment.

The Franklin County Municipal Court Computer Fund is comprised of fees charged on the filing of each cause of action or appeal in the Court to be reserved in this separate fund to be disbursed upon an order of the court in an amount not greater than the actual cost to the court of computerizing the court, procuring and maintaining computerized legal research services, or both.

Fiscal Impact:

The fiscal impact of this ordinance will reduce the Franklin County Municipal Court Computer Fund's unappropriated balance by \$150,000.

This ordinance is being submitted as an emergency in order to have funding available within the fiscal year for these necessary expenditures.

To authorize a supplemental appropriation of \$150,000 from the unappropriated balance of the Municipal Court Judges computer fund to fund the replacement of a telephone system; and to declare an emergency. (\$150,000)
