These worn playgrounds will be replaced with new playgrounds that exceed current accessibility standards with updated rubberized safety surfacing. In addition, storm drainage equipment will be installed to address flooding. The funding for this phase is being provided by the Community Development Block Grant (CDBG) in accordance with the 2020 Annual Action Plan as approved by Council.

The project is expected to start in summer of 2020 and be completed by December 31, 2020.
