This ordinance authorizes the Director of the Recreation and Parks Department to accept \$485,000.00 in grant funds (with minimum local match of \$190,000.00) from the Ohio Department of Natural Resources' Clean Ohio Trail fund for construction of a pedestrian bridge to connect the Olentangy Trail to Nationwide Boulevard and Confluence Park.

Background: On March 21, 2016, City Council authorized the Director of Recreation and Parks (0666-2016) to apply for a grant from the Clean Ohio Trail Fund to construct a bridge over the Olentangy River at Nationwide Blvd in Confluence Village, a major new development in Downtown Columbus. In 2016 Recreation and Parks was awarded the grant funding which required a minimum local match of \$190,000.00.

This ordinance requires the acceptance of \$485,000 from the Clean Ohio Trail Fund. By accepting these funds, there is \$190,000.00 that constitutes a required local match. These funds will be part of a future expenditure towards the construction contract for the bridge, which is scheduled to advertise in June 2020. The estimated cost of the construction of the bridge is estimated to be just over \$2M.

The bridge will be a direct connection from the regional trail for thousands of residents and workers in the Arena District. The project also coincides with other significant projects at the west end of Nationwide Boulevard, including a new stadium, a series of mixed-use developments, and a public park development along the East bank of the Olentangy River. This bridge also provides a significant active transportation access to a heavily congested downtown area.

Emergency Justification: An emergency is being requested in that it is immediately necessary to accept the grant funds, appropriate the matching funds, and apply towards the project which will be advertised for construction in June of 2020. It is critical for the Department to have these funds to apply towards the construction contract.

Benefits to the Public: The bridge will provide direct connectivity for thousands of residents, visitors, special events, and employees to the Confluence Village and the Arena District, one of the City’s major destinations. The project will coincide with construction of significant regional projects underway, including the new Crew Stadium, Confluence Park, and surrounding mixed use developments. The connector bridge provides links to over 130 miles of regional trail. Over 2 million people visit the Arena District each year.

Community Input/Issues: During the past 4 years, the project has received support and approval by downtown residents, large employers within the Arena District, the development community, local cycling advocacy, Central Ohio Greenways, and comments from the public at large.

Area(s) Affected: Downtown (55)

Master Plan Relation: Trails and connectivity are a significant component of the city’s health and wellness, diversity, social equity and conservation initiatives.

Fiscal Impact: This ordinance will authorize the appropriation of \$485,000.00 in grant funds in the Recreation and Parks Grant Fund 2283. This ordinance will also authorize a grant match of \$190,000.00 from the Recreation and Parks Voted Bond Fund 7702. \$190,000.0 is budgeted and available from and within the Recreation and Parks Voted Bond Fund 7702 to meet the financial obligations of the grant match. There is a total of \$675,000.00 available for this project. Future legislation will be needed to expend these funds once construction is ready to move forward.

To authorize the Director of Recreation and Parks to enter into a grant agreement and accept \$485,000.00 in grant funds, with minimum local match of \$190,000.00, from the Ohio Department of Natural Resources’ Clean Ohio Trail fund for construction of a pedestrian bridge to connect the Olentangy Trail to Nationwide Boulevard and Confluence Park; to authorize the transfer of \$190,000.00 between projects within the Recreation and Parks Bond Fund; to authorize the appropriation of \$485,000.00 to the Recreation and Parks Grant Fund; to amend the 2019 Capital Improvements Budget Ordinance 1326-2019; and to declare an emergency.

WHEREAS, Ordinance Number 0666-2016 authorized the Director of Recreation and Parks to apply for funding through the Ohio Department of Natural Resources (ODNR) Clean Ohio Trails Fund; and

WHEREAS, it is necessary to authorize the Director of Recreation and Parks to enter into a grant agreement and accept \$485,000.00 in grant funds, with minimum local match of \$190,000.00, from the Ohio Department of Natural Resources’ Clean Ohio Trail fund for construction of a pedestrian bridge to connect the Olentangy Trail to Nationwide Boulevard and Confluence Park; and
