Council Variance Application: CV12-018

APPLICANT: Odessa Thompson; 686 Elwood Avenue; Columbus, OH 43207.

PROPOSED USE: Two-unit dwelling.

COLUMBUS SOUTH SIDE AREA COMMISSION RECOMMENDATION:
Approval.

CITY DEPARTMENTS' RECOMMENDATION: Approval. The requested Council variance will allow a two-unit dwelling in the R-2, Residential District. The building was originally constructed as a retail structure with an apartment above. A variance is necessary because the R-2, Residential District allows only single-unit dwellings. The applicant was recently cited for converting the lower level into a dwelling unit, and needs the requested variance in order to comply with a zoning violation and to obtain building permits. The site lies within the planning area of *The South Side Plan* (2002), which recommends the reduction of existing non-conforming properties. Since the request will replace an inappropriate commercial use in the neighborhood with a residential use, Staff does not object to the request.
