Background: City Council passed Ordinance No. 3097-2015 (the “Original TIF Ordinance”) on December 14, 2015 that declared improvements to certain parcels of real property located in the City to be a public purpose, and established a non-school tax increment financing (TIF) area pursuant to R.C. Section 5709.40(B) in the vicinity of the Milo-Grogan neighborhood (the “Milo-Grogan TIF”). The non-school portion of those service payments in lieu of taxes (the “Service Payments”) paid to the City for deposit into the Milo-Grogan TIF Fund will be used to finance public infrastructure improvements benefiting the Milo-Grogan TIF parcels in anticipation of new developments around the neighborhood.

Half Baked Holdings, LLC (the “Developer”) is redeveloping the former Kroger Bakery site on Cleveland Avenue (the “Site”) directly south of the Milo-Grogan TIF into a mixed-use development consisting of approximately 40,300 square feet of office, 9,600 square feet of retail, 363 multi-family units, 401 garage parking spaces, and an urban green space (collectively, the “Project”). Pursuant to Ordinance No. 0508-2021 passed on March 8, 2021 by City Council, the City entered the southern manufacturing building on the Site, which is also the former Ford Motor Company Branch Assembly Plant, on the Columbus Register of Historic Properties.

To further support the preservation of the now vacant, historical Site, and repurposing it for the Project, the City is submitting an ordinance for City Council consideration to amend the Original TIF Ordinance by adding the nonresidential improvements on the Site and other parcels surrounding the Milo-Grogan TIF to the same 100% exemption and 30-year term as the currently exempted parcels under the Original TIF Ordinance, and requiring that new Service Payments be deposited into the tax increment equivalent fund established for the Milo-Grogan TIF (the “Milo-Grogan TIF Fund”).

This Ordinance will authorize the City to enter into a TIF Agreement with the Developer, and appropriate and authorize the expenditure of Service Payments deposited in the Milo-Grogan TIF Fund to reimburse the Developer for the costs of certain public infrastructure improvements, as defined in R.C. 5709.40(A)(8), pursuant to that TIF Agreement. This Ordinance will also authorize the appropriation and transfer of Service Payments from the Milo-Grogan TIF Fund to the Housing Business Tax Incentive Fund for the City's retention of its economic development fees under the TIF Agreement as those fees are authorized by Ordinance No. 3169-2022.

Fiscal Impact: The City is appropriating and authorizing the expenditure of service payments in lieu of taxes deposited, and to be deposited, into the Milo-Grogan TIF Fund in accordance with a tax increment financing agreement between the City and Half Baked Holdings, LLC.

To authorize the appropriation and transfer of \$10,000.00 of service payments in lieu of taxes between the Milo-Grogan TIF Fund and the Housing Business Tax Incentive Fund; to authorize the appropriation and transfer of \$5,000.00 annually of service payments in lieu of taxes between the Milo-Grogan TIF Fund and the Housing Business Tax Incentive Fund during the term of the tax increment financing agreement; to appropriate and authorize the expenditure of service payments in lieu of taxes deposited, or to be deposited, into the Milo-Grogan TIF Fund to the developer or its designee; to authorize the Director of the Department of Development, on behalf of the City, to enter into a tax increment financing agreement between the City and Half Baked Holdings, LLC for reimbursement of certain public infrastructure improvements, as defined by R.C. 5709.40(A)(8). (\$10,000.00)

WHEREAS, pursuant to R.C. Section 5709.40(B) and Ordinance No. 3097-2015 (the "Original TIF Ordinance") passed December 14, 2015, City Council declared improvements to certain parcels of real property to be a public purpose, and established a non-school tax increment financing (TIF) including those certain parcels in the area generally bounded on all sides by the railroads surrounding the Milo-Grogan neighborhood (the "Milo-Grogan TIF"); and

WHEREAS, directly south of the Milo-Grogan TIF, Half Baked Holdings, LLC (the "Developer") acquired approximately ±9.3 acres on which it is redeveloping the former Kroger Bakery site on Cleveland Avenue (the "Site") into a mixed-use development consisting of approximately 40,300 square feet of office, 9,600 square feet of retail, 363 multi-family units, 401 garage parking spaces, and an urban green space (collectively, the "Project"); and

WHEREAS, Ordinance No. 0508-2021, passed on March 8, 2021 by City Council, authorized the City to enter the southern manufacturing building on the Site, which is also the former Ford Motor Company Branch Assembly Plant, on the Columbus Register of Historic Properties; and

WHEREAS, to help preserve the historic Site and repurpose it for the Project, the City is submitting for City Council consideration an ordinance to expand the Milo-Grogan TIF area and declare nonresidential improvements to certain parcels of real property in the expanded area to be a public purpose, and to exempt from taxation one-hundred percent (100%) of the nonresidential improvements of the Project on the Site, and nonresidential improvements on other parcels surrounding the Milo-Grogan TIF, for the same thirty-year exemption term as the existing parcels of the Milo-Grogan TIF; and

WHEREAS, the non-school service payments in lieu of taxes from the additional parcels will be distributed to the City for deposit into the tax increment equivalent fund established for the Milo-Grogan TIF (the "Milo-Grogan TIF Fund"), along with the existing collection of non-school service payments in lieu of taxes in that fund, to be used for the costs of certain public infrastructure improvements benefiting the Site and the Project, as defined by R.C. 5709.40(A)(8); and

WHEREAS, it is now necessary to appropriate and authorize the expenditure or transfer of the non-school service payments in lieu of taxes deposited, and to be deposited, into the Milo-Grogan TIF Fund, as provided hereafter; and

WHEREAS, this legislation will authorize the City to enter into a TIF Agreement with the Developer to use the non-school service payments within the Milo-Grogan TIF Fund for the reimbursement of certain public infrastructure improvements, as defined by R.C. 5709.40(A)(8), thereby preserving the public health, peace, safety and welfare; **NOW, THEREFORE**,
