**BACKGROUND:** This ordinance authorizes the Director of Public Utilities to enter into a contract for power line clearance services required by the Division of Power and Water for the installation and maintenance of the division's distribution and street lighting circuits and tree trimming and removal services as may be required by Watershed Management. A request for bids was advertised in the City Bulletin (SA004661) and only one bid was received and opened by the Director of Public Utilities on November 14, 2012. The bid was evaluated and an award is recommended to Asplundh Tree Expert Co. as the lowest, responsive and responsible bid received. The contract will be for a two-year period. This legislation authorizes the expenditure of \$371,000.00 for the estimated cost for the first year of the contract. Legislation will be submitted in 2014 to provide funding for the second year of the contract. The Contract Compliance Number for Asplundh Tree Expert Co. is 231277550, expires 10/22/2014.

The company is not debarred according to the Excluded Party Listing System of the Federal Government or prohibited from being awarded a contract according to the Auditor of State Unresolved Findings for Recovery Certified Search.

**FISCAL IMPACT:** \$311,000 was budgeted in the 2013 Electricity Operating Fund 550 and \$60,000 was budgeted in the Water Operating Fund for this service. This ordinance is contingent on the passage of 2013 Operating Budget.

2011 expenditures for this service: \$204,813
