BACKGROUND: This legislation authorizes the Director of the Department of Development to execute a Subrecipient Agreement - Not for Profit Service Contract with The Broad Street Presbyterian Church of Columbus, Ohio in an amount up to \$47,874.00 of federal Emergency Rental Assistance 2 (ERA 2) - Stable Housing Initiative funds to provide assistance as authorized by the federal Emergency Rental Assistance program.

Ordinance 2275-2021 authorizes the City of Columbus to accept and appropriate up to \$39,109,001.91 of federal Emergency Rental Assistance (ERA 2) program funds, as passed by the Consolidated Appropriations Act of 2021.

Of this amount, \$47,874.00 will be used for a contract with The Broad Street Presbyterian Church of Columbus, Ohio who, through their COMPASS-Rental Assistance program, will advertise the program and make program eligibility determinations (as defined by U. S. Treasury) to qualify residents of the local community for funding in order to ensure housing stability and they will, in turn, inform the Tony R Wells Foundation which applications are approved for funding and how much. The Tony R Wells Foundation is acting as a fiscal manager of the funds to be allocated under this contract and will make the payments directly to the recipients. The U.S. Department of Treasury has encouraged jurisdictions to look at ways to expedite payments by centralizing payment processing as one of their best practices. A separate piece of legislation will be put forth to enter into a Not for Profit Service Contract with the Tony R Wells Foundation for this purpose.

Under this contract, the full amount of funding will be used to pay for COMPASS services while funding provided to the Tony R Wells Foundation will include funding for recipients and fee for acting as the fiscal manager. Of the funds for the

recipients, at least 60% of the funding will support households with an AMI at 50% or below and/or have a member of the household who has been unemployed for 90 days and up to 40% of the funding can be used for households with an AMI at 80% or below.

The Broad Street Presbyterian Church of Columbus, Ohio will manage a program to provide assistance to residents in the local area who qualify for the assistance as provided in the laws regulations and other current guidance provided by the U. S. Department of Treasury. Assistance may include: rent, rental arrearages, prospective rent, utility assistance, internet, security deposit, rental fees for storage unit, moving expenses, application fees, hotel or motel for displaced families, and/or eviction related court costs.

It is expected that the guidance from the U.S. Department of Treasury will continue to be modified while this contract is in effect and it is requested that the Director of the Department of Development be given the authority to modify the terms and conditions of the contract without seeking additional Council Approval in order to align with the most current version of the laws, regulations, and guidance. If additional funds are needed, Council approval will be requested.

These services are being contracted out as the department does not have the resources to manage this program internally.

Funds will be advanced based upon an advancement schedule included in the contract.

Emergency action is requested in order to have funding available as soon as possible to assist residents who are displaced and need immediate assistance to provide transitional or new housing to prevent homelessness.

FISCAL IMPACT: Funding is provided to the City of Columbus from the Consolidated Appropriations Act of 2021 passed by Congress and signed into law December 27, 2020, as authorized in Ordinance 2275-2021.

CONTRACT COMPLIANCE: the vendor's vendor number is 033793 and expires 9/1/2023.
