### 1. BACKGROUND:

The City of Columbus, Department of Public Service, received a request from Cindy Kennedy, Assistant Director of Real Estate - Operations, requester and agent for The Ohio State University, to sell an approximate 0.373 acre portion of the Hughes Street area right-of-way. This portion of right-of-way is described as a 0.373 acre portion with Phale D. Hale Drive abutting at the north, Hawthorne Avenue abutting at the south, PID 010-067001 abutting at the east, and PID 010-297715 abutting at the west. The Ohio State University is already the current owner of the abutting parcels at the east and west.

The sale of this right-of-way will bring together the two separate parcels to the east and west of this portion of the right-of-way that is already owned by The Ohio State University. This will allow a more fluid use of the mentioned parcels now and for future development.

The Department of Public Service has agreed to sell the right-of-way as described and shown within attached legal description and exhibit, (EXHIBIT A and EXHIBIT B) and extinguishes its need for this public right-of-way. Per current practice, comments were solicited from interested parties, including City agencies, private utilities and the applicable area commission, before it was determined that, subject to the retention of a general utility easement for those utilities currently located within this right-of-way, the City will not be adversely affected by the transfer of this right-of-way. The Department of Public Service submitted a request to the City Attorney’s Office, asking that they establish a value for this right-of-way, and a value of \$20,309.85 was established. This request went before the Land Review Commission on January 21, 2021. After review of the request, the Land Review Commission voted to recommend the above referenced right-of-way be transferred to The Ohio State University, at the cost of \$20,309.85.

### 2. FISCAL IMPACT:

The City will receive a total of \$20,309.85 and the funds are to be deposited in Fund 7748, Project P537650, as

consideration for the transfer of the requested right-of-way.

To authorize the Director of the Department of Public Service to execute those documents necessary for the transfer of 0.373 acre portion of the Hughes Street area right-of-way to The Ohio State University. (\$0.00)
