BACKGROUND: The Division of Police is in need of Body Worn Cameras, mounts, warranties, redaction software, storage, and support. This legislation authorizes the Finance and Management Director to associate all General Budget Reservations resulting from this legislation with the appropriate Universal Term Contract Purchase Agreement established with Enforcement Video LLC dba WatchGuard Video for the purchase of the above mentioned items and services for the Division of Police. Body Worn Cameras are a video recording system that is typically utilized by law enforcement to record interactions with the public or gather video evidence at crime scenes. The purchase of these cameras will be for immediate use and some inventory re-stocking as nearly all of the current body worn cameras are in use by officers. This legislation also amends the 2019 Capital Improvement Budget and authorizes the City Auditor to transfer funds within the General Permanent Improvement Fund.

Bid Information: The Department of Finance and Management, through RFQ001428, received and evaluated twelve (12) proposals and recommended an award be made to Enforcement Video, LLC dba WatchGuard Video. Ordinance 3078-2016, prepared by the Finance and Management Department established an option contract (UTC) with this company.

Contract Compliance: Enforcement Video, LLC dba WatchGuard Video; CC017898, expires 7-16-2021.

This company is not debarred according to the Excluded Party Listing System of the Federal Government or prohibited from being awarded a contract according to the Auditor of State Unresolved Findings for Recovery Certified Search.
