BACKGROUND:

To maintain insurance programs in accordance with the negotiated labor contracts, additional funding of the medical insurance program is necessary to insure continuation of the medical insurance program. Cost estimates were based on 2011-12 trust fund expenditures using a three year average of actual city utilization, expected changes due to union negotiations, as well as input from insurance carriers and from the City's employee benefits consultant. The contract is for a three-year period, subject to annual appropriations; this ordinance represents the second year.

Contract compliance number is 31-1142815

FISCAL IMPACT: To modify and extend the existing contract with United HealthCare Insurance Company to establish the maximum obligation liability of \$101,557,672 for the medical plan administration services from February 1, 2013 through January 31, 2014. Funding is available in the 2013 budget for this contract.
