Background: This ordinance authorizes the Finance and Management Director to associate all General Budget reservations resulting from this ordinance with appropriate Universal Term Contracts for automotive parts on behalf of the Fleet Management Division, in order to repair and service City vehicles. All related purchase orders will be issued from Universal Term Contracts previously established by the City of Columbus, Purchasing Office.

These parts are necessary for the routine maintenance and repair of the City's vehicle fleet and allows the City to keep its fleet of approximately 6,000 vehicles in operation. Fleet Management processes over 40,000 work orders annually for all City vehicles and equipment and requires purchase orders with over 400 vendors to help meet this need.

Fiscal Impact: This ordinance authorizes an expenditure of \$800,000.00 from the Fleet Management Operating Fund from previously established Universal Term Contracts for parts related to City vehicles. Including this ordinance, Fleet will expend approximately \$5.3 million on parts in 2019. In 2018, the Fleet Management Division expended \$5.25 million for parts to keep the City's vehicle fleet in operation. In 2017, the Fleet Management Division expended \$4.8 million for parts.

Emergency action is requested to ensure an uninterrupted supply of automotive parts, thereby keeping City owned vehicles in operation, including Police, Fire, and Refuse Collection vehicles.

To authorize the Director of Finance and Management to associate all General Budget Reservations resulting from this ordinance and to establish purchase orders with the appropriate Universal Term Contract Purchase Agreement for automotive parts for the Fleet Management Division; to authorize the expenditure of \$800,000.00 from the Fleet Management Operating Fund; and to declare an emergency. (\$800,000.00)

WHEREAS, various Universal Term Contracts (UTC) have been established through the formal competitive bidding

process of the Purchasing Office for vehicle parts; and

WHEREAS, the Finance and Management Department, Fleet Management Division, has a need to purchase automotive parts for motorized equipment and vehicles operated by the City; and

WHEREAS, it is necessary to authorize the expenditure of \$800,000.00 from the Fleet Management Operating Fund; and

WHEREAS, an emergency exists in the usual daily operation of the Finance and Management Department, Fleet Management Division, in that it is immediately necessary to authorize the Director to issue various purchase orders for automotive parts, thereby preserving the public health, peace, property, safety and welfare; **NOW, THEREFORE**

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:
