BACKGROUND

This legislation authorizes the Director of the Department of Development to modify a contract with Evolved Plumbing and Mechanical LLC to increase the contract amount by \$15,000.00 to provide residential emergency repair services as part of the Division of Housing's Emergency Repair Program.

Modification No. 1 amount	\$100,000.00	Ord. 1157-2022	PO326794

Modification No. 4 amount	\$100,000.00	Ord. 1523-2023	
Modification No. 5 amount	<u>\$ 15,000.00</u>	Ord. 1694-2023	

Total contract amount \$365,000.00

The department advertised RFQ020531 on Vendor Services seeking contractors to provide emergency mechanical repairs on November 22, 2021 with bids being due on December 16, 2021. The Emergency Repair Program is a home repair program operated by the Housing Division. The program was established to assist low and moderate income homeowners with plumbing, sewer repair/replacement, water line repair/replacement, hot water tanks, furnaces, and electrical issues that would impact a household remaining safely in their home. Most homeowners are at or below 50% AMI as defined by HUD with exceptions allowed up to 80% AMI.

The amount of additional funds expended under this modification will be \$15,000.00. The need for additional

goods/services could not be foreseen at the time the contract was initially awarded due to an updated interpretation of the allowable scope of work for capital funds, that resulted in a need for general fund dollars for home repair project scopes that do not fit the requirements for capital funds.

A comprehensive RFQ was done in 2021 for these services, and contractors were identified at that time. A new RFQ will be done with capital and general fund dollars in the Fall of 2023. Prices were initially established with the original contract awarded from RFQ020531.

In May 2022, Columbus City Council approved ordinance 1157-2022 to modify the contract to add additional funds. The contract term did not change.

In November 2022, Columbus City Council approved ordinance 2879-2022 to renew the contract for one additional year and to add additional funds.

In February 2023, Columbus City Council approved ordinance 0326-2023 to modify the contract to add additional funds. The contract term did not change.

In June 2023, Columbus City Council approved ordinance 1523-2023 to modify the contract to add additional funds. The contract term did not change.

This legislation will modify the contract to add additional funds. The contract terms will not change.

FISCAL IMPACT: Funding is available in the Division of Housing's 2023 General Fund budget, but will require a transfer from Object Class 01 to Object Class 03.

CONTRACT COMPLIANCE: the vendor number is 030026 and expires 3/11/2024.
