BACKGROUND: Columbus Public Health has been awarded a grant from the Ohio Department of Health. This ordinance is needed to accept and appropriate \$423,632.00 in grant money to fund the Immunization Action Plan grant program.

The IAP program will enable Columbus Public Health to ensure that critical elements of vaccine provided and the vaccine delivery system are adequate; to establish and maintain a high level of awareness and demand for immunizations by parents, particularly racial/ethnic minority parents and other under-served population groups; and to accurately measure the ability of local vaccine providers to raise immunizations levels in children under the age of two toward the goal of 90% coverage.

This grant is for the period January 1, 2014 through December 31, 2014.

Emergency action is requested to allow the financial transaction to be posted in the City's accounting system as soon as possible. Up to date financial posting promotes accurate accounting and financial management.

FISCAL IMPACT: This program is entirely funded by the Ohio Department of Health. This grant will not generate revenue or require a City match.
