Background: Ordinance 0114-2007, passed January 29, 2007, authorized the Director of the Department of Development to accept a Certified Local Government Grant from the Ohio Historic Preservation Office in the amount of \$5,020.00 for the purpose of conducting a feasibility study of the Griggs Dam Tender's (Richards) House located at James J. Thomas Park, 3329 Riverside Drive. This legislation authorizes the appropriation of those funds to the Department of Development to fund a contract with Schooley Caldwell Associates to perform the study.

Fiscal Impact: This legislation appropriates \$5,020.00 from the unallocated balance of the General Government Grant Fund. The grant requires a 60/40 match from the City. The matching share requirement of \$3,347.00 will be provided from the General Fund.

This ordinance is submitted as an emergency to allow the feasibility study to begin immediately in order to determine the work necessary to bring the building into city code compliance.
