BACKGROUND: This ordinance authorizes the Director of Public Safety, on behalf of the Division of Support Services, to enter into a contract with Motorola for backup maintenance service which is required to ensure continued operation of the Police and Fire 800 MHz Radio System Infrastructure starting January 1, 2011 through December 31, 2011. This agreement is being entered into under the Sole Source provision provided in Section 329.07 of the Columbus City Code. Motorola is the only known company that can provide essential backup service 24 hours a day, seven days a week, for the systems.

The City accepted the 800 MHz Radio System April 1, 1992. The new 800 MHz Infrastructure upgrade was funded by Federal Grant money, and was installed in 2006. This contract will provide backup field engineering support from Motorola for system failures, factory repair and exchange of high tech circuit board failures, and will allow access to Motorola engineers on an around-the-clock basis. The contract covers depot level maintenance for all the fixed end components of the 800 MHz Radio Infrastructure System.

Bid Information: Motorola is the only known provider for these types of services.

Contract Compliance: Contract Compliance Number # 361115800 - Expires: April 08, 2012.

Emergency Designation: Emergency designation is requested to ensure the continued operation and maintenance of the City's 800 MHz Radio System Infrastructure.

FISCAL IMPACT: Funds for this expenditure are budgeted in the Division of Support Services 2010 General Fund operating budget. The Support Services Division expended \$52,026.72 in 2008 and \$52,026.72 in 2009 for these same services.

To authorize and direct the Director of Public Safety, on behalf of the Division of Support Services, to enter into a contract with Motorola for backup maintenance services required for continued operation of the Police and Fire 800 MHz Radio System Infrastructure in accordance with the sole source provisions of the Columbus City Codes; to authorize the expenditure of \$60,613.32 from the General Fund; and to declare an emergency. (\$60,613.32)
