Council Variance Application: CV23-125

APPLICANT: JBAD; c/o David Hodge, Atty.; Underhill and Hodge, LLC; 8000 Walton Parkway, Suite 260; New Albany, OH 43054.

PROPOSED USE: Multi-unit residential development.

COLUMBUS SOUTH SIDE AREA COMMISSION RECOMMENDATION: Approval.

CITY DEPARTMENTS' RECOMMENDATION: Approval. The site consists of four parcels in the AR-1, Apartment Residential District, divided by a public alley and previously developed with a former religious facility and parking lot. The requested Council variance will allow redevelopment of the site with 18 townhouse-style apartment units. The site is subject to Ordinance #0865-2021 (CV20-103), passed April 22, 2021, which allowed a 17-unit development that retained the former church tower and a site plan depicting seven unit on the northern portion and ten units on the southern portion of the site. This proposal replaces that site plan to remove the tower feature and add one additional unit with eight units on the northern portion, the "North Site," and ten units on the southern portion, the "South Site." A Council variance is necessary to allow parking spaces on the South Site to serve units on the North Site as the two portions are separated by a

public alley. Additional variances for a reduction in the required number of parking spaces from 27 to 18, reduced vision clearance, reduced perimeter yards, increased lot coverage, reduced lot area, and reduced building lines are included in the request. The site is within the planning area of the *South Side Plan* (2014), which recommends “Medium-High Density Residential” and “Institutional” land uses. Staff finds the revised proposal to be supportable as it will allow a multi-unit residential development that is consistent with residential infill in urban neighborhoods, and is similar to the previously-approved proposal.

To grant a Variance from the provisions of Sections 3333.02, AR-12, ARLD and AR-1 apartment residential district use; 3312.49, Minimum number of parking spaces required; 3321.05(B)(2), Vision clearance; 3333.15(c)(d), Basis of computing area; 3333.18, Building Lines; and 3333.255, Perimeter Yard, for the property located at **359 E. MARKISON AVE. (43207)**, to permit non-accessory parking and reduced development standards for a multi-unit residential development in the AR-1, Apartment Residential District, and to repeal Ordinance #0865-2021 (CV20-103), passed April 22, 2021 (Council Variance #CV23-125).

WHEREAS, by application #CV23-125, the owner of property at **359 E. MARKISON AVE. (43207)**, is requesting a Council variance to allow non-accessory parking and reduced development standards for a multi-unit residential development in the AR-1, Apartment Residential District; and

WHEREAS, Section 3333.02, AR-12, ARLD and AR-1 apartment residential district use, does not allow parking for off-site uses, while the applicant proposes three non-accessory parking spaces on the South Site for units on the North Site; and

WHEREAS, Section 3312.49(C), Minimum numbers of parking spaces required, requires 1.5 parking spaces per dwelling unit for a total of 27 required parking spaces for 18 units, while the applicant proposes 18 total parking spaces (five on the North Site and 13 on the South Site), with three parking spaces for the North Site located on the South Site; and

WHEREAS, Section 3321.05(B)(2), Vision clearance, requires that a 30-foot right angle clear vision triangle shall be maintained on each residential lot adjacent to a street intersection, while the applicant proposes a 15-foot right angle clear vision triangles at northwest corner of South Washington Avenue and East Markison Avenue (North Site), and at the southwest intersection of South Washington Avenue and East Welch Avenue (South Site); and

WHEREAS, Section 3333.15(c)(d), Basis of computing area, limits buildings from occupying more than 50 percent of the lot area, and requires 20,000 square feet of lot area for a multiple dwelling development, while the applicant proposes a lot coverage of 63 percent on the South Site, and a lot area of 11,349 square feet for the multiple dwelling development on the North Site; and

WHEREAS, Section 3333.18(D), Building lines, requires a building line of no less than 25 feet along the public streets that abut the subject site, while the applicant proposes reduced building lines of five feet along East Markison Avenue and two feet along South Washington Avenue for the North Site, and zero feet along South Washington Avenue, and four feet along East Welch Avenue for the South Site, as demonstrated on the submitted site plan; and

WHEREAS, Section 3333.255, Perimeter yard, requires a minimum perimeter yard of 25 feet, while the applicant proposes reduced perimeter yards of zero feet along the west and south property lines of the North Site, and two feet along the west property line and zero feet along the north property line of the South Site, as demonstrated on the submitted site plan; and

WHEREAS, the Columbus South Side Area Commission recommends approval; and

WHEREAS, the City Departments recommend approval because the request is consistent with surrounding housing

types and densities and residential infill in urban neighborhoods, and does not introduce an incompatible use to the area; and

WHEREAS, said ordinance requires separate submission for all applicable permits and Certificates of Occupancy for the proposed development; and

WHEREAS, said variance will not adversely affect the surrounding property or surrounding neighborhood; and

WHEREAS, the granting of said variance will not impair an adequate supply of light and air to adjacent properties or unreasonably increase the congestion of public streets, or unreasonably diminish or impair established property values within the surrounding area, or otherwise impair the public health, safety, comfort, morals, or welfare of the inhabitants of the City of Columbus; and

WHEREAS, the granting of said variance will alleviate the difficulties encountered by the owners of the property located at **359 E. MARKISON AVE. (43207)**, in using said property as desired; now, therefore:

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:

SECTION 1. That a variance is hereby granted from the provisions of Sections 3333.02, AR-12, ARLD and AR-1 apartment residential use; 3312.49, Minimum number of parking spaces required; 3321.05(B)(2), Vision clearance; 3333.15(c)(d), Basis of computing area; 3333.18, Building Lines; and 3333.255, Perimeter Yard; for the property located at **359 E. MARKISON AVE. (43207)**, insofar as said sections prohibit non-accessory parking in the AR-1, Apartment Residential District with three parking spaces located on the South Site to serve units on the North Site; a reduction in required parking spaces from 27 required to 18 provided spaces; a reduction in the clear vision triangles from 30 feet to 15 feet at the northwest corner of South Washington Avenue and East Markison Avenue (North Site) and at the southwest intersection of South Washington Avenue and East Welch Avenue (South Site); an increase in maximum lot coverage from 50 percent to 63 percent on the South Site, and a reduced lot area from 20,000 to 11,349 square feet on the North Site; reduced building lines from 25 feet to five feet along East Markison Avenue and two feet along South Washington Avenue for the North Site, and zero feet along South Washington Avenue and four feet along East Welch Avenue for the South Site; and reduced perimeter yards from 25 feet to zero feet along the west and the south property lines of the North Site, and two feet along the west property line and zero feet along the south property line of the South Site, said property being more particularly described as follows; said property being more particularly described as follows:
