Council Variance Application: CV19-030

APPLICANT: Eric D. Martineau; 3006 North High Street, Suite 1A; Columbus, OH 43202.

PROPOSED USE: Carriage house on a lot developed with a single-unit dwelling.

ITALIAN VILLAGE COMMISSION RECOMMENDATION: Approval.

CITY DEPARTMENTS' RECOMMENDATION: Approval. The site is zoned R-4, Residential District, and developed with a single-unit dwelling. The requested Council variance will permit the construction of a rear carriage house on the property and an addition to the principal dwelling. The variance is necessary because the R-4, Residential District permits a maximum of four dwelling units in one building, but does not permit two separate dwellings on one lot. Variances for lot width, lot area, fronting, maximum and minimum side yards, and rear yard are included in this request. The site is within the boundaries of the *Italian Village East Redevelopment Plan (2005)*, which recommends residential (1-2 units) at this location. The proposal is consistent with the Plan's land use recommendation and with recent development patterns in historic urban neighborhoods. Additionally, Staff finds the proposal will not add incompatible uses to the area as there are other carriage houses within this neighborhood.

To grant a Variance from the provisions of Sections 3332.039, R-4, Residential District; 3332.05(A)(4), Area district lot width requirements; 3332.15, R-4, area district requirements; 3332.19, Fronting; 3332.25, Maximum side yards required; 3332.26(C)(1), Minimum side yard permitted; and 3332.27, Rear yard, of the Columbus City Codes; for the property

located at **1047 HAMLET ST (43201)**, to permit a single-unit dwelling (carriage house) on the rear of a lot developed with a single-unit dwelling with reduced development standards in the R-4, Residential District (Council Variance #CV19-030).

WHEREAS, by application #CV19-030, the owner of the property at **1047 HAMLET ST (43201)**, is requesting a Variance to permit a single-unit dwelling (carriage house) on the rear of a lot developed with a single-unit dwelling with reduced development standards in the R-4, Residential District; and

WHEREAS, Section 3332.039, R-4, Residential District, permits a maximum of four units in one building, but does not permit two separate dwellings on one lot, while the applicant proposes to construct a rear single-unit dwelling above a detached garage (a carriage house) on a lot developed with a single-unit dwelling; and

WHEREAS, Section 3332.05(A)(4), Area district lot width requirements, requires a lot no less than 50 feet wide, while the applicant proposes to maintain the existing 25 foot wide lot; and

WHEREAS, Section 3332.15, R-4 area district requirements, requires a lot of 5,000 square feet for a single-unit dwelling, while the applicant proposes to maintain an existing single-unit dwelling and construct a carriage house on a lot area of 1,950± square feet (pursuant to lot area calculation in 3332.18(C)); and

WHEREAS, Section 3332.19, Fronting, requires a dwelling unit to have frontage on a public street, while the applicant proposes a carriage house fronting on a rear public alley; and

WHEREAS, Section 3332.25, Maximum side yards required, requires the sum of the widths of the side yards to equal or exceed 20 percent of the width of the lot, or 5 feet, while the applicant proposes a maximum side yard of 4± feet for the carriage house; and

WHEREAS, Section 3332.26(C)(1), Minimum side yard permitted, requires a minimum side yard of three feet on a lot width of 40 feet or less, while the applicant proposes a northern side yard of 1± foot for the existing dwelling and carriage house; and

WHEREAS, Section 3332.27, Rear yard, requires a rear yard totaling no less than 25 percent of the total lot area for each dwelling, while the applicant proposes no rear yard for the carriage house dwelling; and

WHEREAS, the Italian Village Commission recommends approval; and

WHEREAS, City Departments recommend approval of the requested variance because the proposal is consistent with the *Italian Village East Redevelopment Plan's* land use recommendation and recent development patterns in historic urban neighborhoods, and does not add incompatible uses to the area; and

WHEREAS, said ordinance requires separate submission for all applicable permits and Certificate of Occupancy for the proposed use; and

WHEREAS, said variance will not adversely affect the surrounding property or surrounding neighborhood; and

WHEREAS, the granting of said variance will not impair an adequate supply of light and air to adjacent properties or unreasonably increase the congestion of public streets, or unreasonably diminish or impair established property values within the surrounding area, or otherwise impair the public health, safety, comfort, morals, or welfare of the inhabitants of the City of Columbus; and

WHEREAS, the granting of said variance will alleviate the difficulties encountered by the owners of the property located at **1047 HAMLET ST (43201)**, in using said property as desired; now, therefore:
