BACKGROUND:

The Department of Development is seeking a Certified Local Government Grant from the Ohio Historic Preservation Office in an amount not to exceed \$8,031. This grant will be used to co-sponsor the 2004 Building Connections Conference. This state-wide historic preservation conference is being held in the City of Columbus. A consortium of organizations including the Ohio Historical Society, including National History Day in Ohio and the Ohio Historic Preservation Office, the Ohio Arts Council, Ohio Humanities Council, Ohio Preservation Association, Downtown Ohio, Inc., Heritage Ohio and the Ohio Academy of History are making it possible to assemble regional and nationally known speakers to address topics from community history, the National Main Street Program, city planning, new buildings for old neighborhoods, tax aspects of rehabilitation as well as a hands-on preservation technology symposium. By joining together as a cosponsor, the City of Columbus will be recognized for its continued efforts to address these issues, and help to provide a forum for training key city staff and commission members.

FISCAL IMPACT:

This legislation authorizes the Director of the Department of Development to apply for and accept a Certified Local Government Grant from the Ohio Historic Preservation Office in the amount of \$8,031. There is no matching share requirement.
