### Rezoning Application Z15-035

**APPLICANT:** Fountech; c/o Jeffrey L. LaValley; 2976 Lazar Road; Grove City, OH 43213.

**PROPOSED USE:** Contractor's office and storage.

**DEVELOPMENT COMMISSION RECOMMENDATION:** Approval (5-0) on July 14, 2016.

**SOUTHWEST AREA COMMISSION RECOMMENDATION:** Approval.

**CITY DEPARTMENTS' RECOMMENDATION:** Approval. The site is zoned R, Rural District, and consists of two parcels occupied with a contractor's yard, storage buildings, and a single-unit dwelling that was converted to a contractor's office. The use of the property was established without a Certificate of Zoning Clearance and a notice of Zoning Code violation was issued by the Code Enforcement Division of the Department of Development. The requested L-M-2, Limited Manufacturing District, will establish a zoning district that permits the use of the property. The site is within the planning area of the *Southwest Area Plan* (2009), which recommends low density residential uses for this location. Staff recognizes that the subject site is adjacent to properties zoned manufacturing, and supports deviation from the Plan's land use recommendations for this proposal as it contains appropriate use restrictions and development standards addressing setbacks, screening, and tree preservation. Concurrent Council variance (Ordinance # 2255-2017; CV16-049) has been filed to conform existing site conditions for driveway width and gravel surface.

To rezone **2976 LAZAR ROAD (43213)**, being 5.7± acres located on the east side of Lazar Road, 90± feet south of Tanis Drive, **From:** R, Rural District, **To:** L-M-2, Limited Manufacturing District (Rezoning # Z15-035).

**WHEREAS**, application #Z15-035 is on file with the Department of Building and Zoning Services requesting rezoning of 5.7± acres from R, Rural District, to the L-M, Limited Manufacturing District; and

**WHEREAS**, the Development Commission recommends approval of said zoning change; and

**WHEREAS**, the Southwest Area Commission recommends approval of said zoning change; and

**WHEREAS**, the City Departments recommend approval of said zoning change because the requested L-M-2, Limited Manufacturing District, which will permit limited industrial uses, contains appropriate use restrictions and development standards to be compatible with adjacent industrial and nearby residential districts; now, therefore:

**BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:**
