1. BACKGROUND

Section 5513.01 (B) of the Ohio Revised Code authorizes the Director of the Ohio Department of Transportation (ODOT) to allow political subdivisions to participate in ODOT contracts for the purchase of machinery, materials, supplies, services and other articles which the Department has entered into. It is the intent of ODOT to establish and operate the ODOT Cooperative Purchasing Program for that purpose. The City of Columbus, Department of Public Service has the desire to utilize the service contracts established by ODOT for their own use as necessary. Having the ability to utilize ODOT service contracts as needed, will make the Department of Public Service more effective and efficient. This legislation will authorize the Director of Public Service to participate in these contracts up to \$20,000.00. Any contracts exceeding \$20,000.00 will be subject to Council approval.

That the Director of Public Service is hereby authorized to participate in contracts for services established by the Ohio Department of Transportation under section 5513.01(B) of the Ohio Revised Code. That the Director of Finance and Management is hereby authorized to participate in contracts for machinery, materials, supplies, or other articles established by ODOT under Section 5513.01(B) of the Ohio Revised Code. The City of Columbus shall be bound by all term and conditions prescribed in the contracts established by the Director of Transportation. This authorization is to be considered permanent

On a case by case basis, purchases deemed to be in the best interests of the City of Columbus and where the City cannot secure better terms and conditions compared to the established ODOT contract.

2. FISCAL IMPACT

None. This legislation will authorize participation in ODOT established contracts up to \$20,000.00 per Public Service

Division. Any service contracts exceeding \$20,000.00 will be subject to Council approval.
