**Council Variance Application: CV19-072**

**APPLICANT:** Collegiate Development Group; c/o Michael Shannon, Atty.; 8000 Walton Parkway, Suite 260; New Albany, OH 43054.

**PROPOSED USE:** Mixed-use development.

**UNIVERSITY AREA COMMISSION RECOMMENDATION:** Disapproval.

**UNIVERSITY IMPACT DISTRICT REVIEW BOARD RECOMMENDATION:** Approval.

**CITY DEPARTMENTS' RECOMMENDATION:** Approval. The site consists of five parcels developed with commercial uses in the C-4, Commercial District. The requested Council variance will permit a mixed-use building consisting of 9,062 square feet of retail development and 174 dwelling units (397 bedrooms), with some residential uses on the ground floor. Variances to minimum numbers of parking spaces required, vision clearance, and building height standards are included in this request. The site is within the Regional Commercial subarea of the University District Zoning Overlay. The *University District Plan (2015)* recommends this area for "Regional Mixed Use," which supports mixed use corridors with the most dense development and building height up to 72 feet. The Plan also states that the design of the new construction should be compatible with nearby contributing buildings and the surrounding streetscapes, and that existing buildings that contribute to the district's diverse character be preserved. The proposal is consistent with the Plan's recommendations to preserve existing buildings and contribute to the streetscape and neighborhood character. Additionally, while the proposed height is 85 feet, preservation of streetscape, setbacks from High Street and the high

quality of design mitigate impacts of the proposed additional height.

To grant a Variance from the provisions of Sections 3356.03, C-4 permitted uses; 3312.49(A)(1), Minimum numbers of parking spaces required; 3321.05(A)(1), Vision clearance; 3325.323, Building Height Standards; and 3325.381, Parking and Circulation, of the Columbus City Codes; for the property located at **1331 N. HIGH ST. (43201)**, to permit a mixed-use development with reduced development standards in the C-4, Commercial District (Council Variance #CV19-072).

**WHEREAS**, by application #CV19-072, the owner of property at **1331 N. HIGH ST. (43201)**, is requesting a Council variance to permit a mixed-use development with reduced development standards in the C-4, Commercial District; and

**WHEREAS**, Section 3356.03, C-4 permitted uses, permits apartment uses above certain commercial uses, it does not permit ground floor residential uses, while the applicant proposes first floor residential and accessory residential uses; and

**WHEREAS**, Section 3312.49(A)(1), Minimum numbers of parking spaces required, requires that bicycle parking shall be located in highly visible areas near the intended use, while the applicant proposes the bicycle parking to be located in a publicly accessible area which is not visible from North High Street, as depicted on the Site Plan; and

**WHEREAS**, Section 3321.05(A)(1), Vision clearance, requires a 10 foot clearance triangle at the intersection of North High Street and the parking garage, while the applicant proposes a reduced clear vision triangle, as shown on the site plan; and

**WHEREAS**, Section 3325.323, Building Height Standards, permits a maximum building height of 72 feet within the Regional Commercial subarea, while the applicant proposes a building height of 85 feet; and

**WHEREAS**, Section 3325.381, Parking and Circulation, requires that 0.5 parking spaces per bedroom, or 199 spaces for 397 bedrooms, plus 1 parking space per 500 square feet of retail space, or 19 spaces for 9,062 square feet, for a grand total of 218 spaces for this mixed use development, while applicant proposes 184 spaces; and

**WHEREAS**, the University Area Commission recommends disapproval; and

**WHEREAS**, the University Impact District Review Board recommends approval; and

**WHEREAS**, the City Departments recommend approval of the requested variances because the proposal will allow a mixed use development that is consistent with the *University District Plan's* land use recommendations, and continues the redevelopment pattern for this segment of North High Street; and

**WHEREAS**, this ordinance requires separate submission for all applicable permits and Certificates of Occupancy for the proposed uses; and

**WHEREAS**, said variance will not adversely affect the surrounding property or surrounding neighborhood; and

**WHEREAS**, the granting of said variance will not impair an adequate supply of light and air to adjacent properties or unreasonably increase the congestion of public streets, or unreasonably diminish or impair established property values within the surrounding area, or otherwise impair the public health, safety, comfort, morals, or welfare of the inhabitants of the City of Columbus; and

**WHEREAS**, the granting of said variance will alleviate the difficulties encountered by the owners of the property located at **1331 N. HIGH ST. (43201)**, in using said property as desired;
