1. BACKGROUND

The Ohio Department of Transportation (ODOT) annually accepts applications to fund projects using Highway Safety Program funds. The Safety Program Committee has reviewed the applications submitted this year and has made decisions on funding projects. These grants require a 10% local match.

This legislation will authorize the Director of Public Service to execute project agreements for approved projects, expend grant funds, and issue refunds if necessary after final accounting is performed. Matching funds will be in the form of design contracts and/or construction contracts that will be submitted for Council's approval.

2. AWARDED PROJECTS

The Department of Public Service has received notification of grant awards for the following projects:

3. FISCAL IMPACT

No financial participation is required at this time. City funds will be approved in the form of design contracts and/or construction contracts that will be submitted for Council's approval.
