Columbus City Council and various City Departments have a need to purchase food and/or beverage items for various programs and events throughout the year. Additionally, there is need for equipment within municipal facilities for the preparation and storage of food and/or beverages by municipal employees while at work in a municipal facility. This ordinance authorizes the purchase of food and/or beverage items, as well as the procurement of equipment for preparing or storing food which serve the public purpose of protecting health and improving lives.

Columbus City Council and City departments routinely host programs and events where public attendance and participation is solicited. It is common for these events to occur during evening hours or during times in which meals or snacks would facilitate public attendance and engagement. This legislation is presented as 30 day legislation.

To amend Chapter 329 of the Columbus City Codes to authorize the purchase of food, beverages, and equipment for a public purpose.

WHEREAS, the health and welfare of residents of the City of Columbus, the public at large, and municipal officers and/or employees is paramount; and

WHEREAS, enhancing public engagement, facilitating public meetings, and providing for the efficient operation of the city serves a public purpose; and

329.35 - Purchase of food and beverages for a public purpose

(A) The authorizations in this section are granted for the public purpose of better providing for the health and welfare of residents of the City of Columbus, the public at large, and municipal officers and/or employees by enhancing public engagement, facilitating public meetings, and providing for the efficient operation of the city.

(B) Absent any existing restrictions and/or prohibitions on the use of funds for this purpose, funds may be expended, and the expenditure is declared to be a public purpose, in order to provide food, refreshments, snacks, meals, mementos, or other like amenities and, if necessary, to rent a site or venue for the following:

(C) The Director of the Department of Finance and Management is authorized to review and approve contracts with vendors to obtain the food, refreshments, snacks, meals, mementos, or other like amenities and to rent sites or venues under division (B) of this section, payable from funds appropriated for this purpose, so long as the expenditure meets both of the following criteria:
