**Council Variance Application: CV09-030**

**APPLICANT:** The New Albany Company, LLC; c/o Jeffrey L. Brown, Atty.; 37 West Broad Street, Suite 725; Columbus, OH 43215.

**PROPOSED USE:** A multiple-dwelling development of single-unit, two-unit, three-unit, four-unit, multi-unit and apartment complex development with reduced development standards.

**CITY DEPARTMENTS' RECOMMENDATION:** Approval. Since 1998, this property has been the subject of a rezoning and two Council variances to accommodate various buyers' needs. This request is to repeal CV05-048 and CV07-039 which were passed to accommodate a developer that is no longer purchasing the site and to create two subareas. One subarea accommodates the existing buyer and the second subarea is to accommodate future buyers. Staff supports this Council Variance since it will repeal the previous two Council variances and combine the variances and commitments from those into one ordinance making this development easier to administer while maintaining the commitments of the previous two Council variances.

To grant a Variance from the provisions of Sections 3333.02, AR-12, ARLD and AR-1 apartment residential district use; 3333.04, Permitted uses in the AR-O Apartment Office District; 3333.10, AR-12, Area District Requirements; 3333.22, Maximum side yard; 3333.23, Minimum side yard; 3333.24, Rear yard; 3312.25, Maneuvering; 3370.06, Standards; and 3370.07, Conditions and limitations, for the property located at **5855 CENTRAL COLLEGE ROAD (43054)**, to permit a multiple-dwelling development of single-unit, two-, three-, and four-unit dwellings and apartment complex development with reduced development standards in the L-AR-12, Limited Apartment and L-AR-O, Limited Apartment Residential/Office Districts. (Council Variance #CV09-030)

**WHEREAS**, by application No. CV09-030, the owner of property at **5855 CENTRAL COLLEGE ROAD (43054)**, is requesting a Council Variance to permit development of single-unit, two-, three-, four- and apartment complex dwellings with no internal perimeter yard in the L-AR-O, Limited Apartment Office/Residential District; and

**WHEREAS**, Section 3333.02, AR-12, ARLD, AR-1, apartment residential district use, does not permit apartment complex development with no perimeter yard between internal tax parcel lines and with a density based on the total acreage; while the applicant wishes not to provide an internal perimeter yard and wishes to calculate density based on the total acreage; and

**WHEREAS**, Section 3333.04, Permitted uses in the AR-O Apartment Office District, does not permit single-unit dwellings or two-unit dwellings and requires that three- and four-unit dwellings be developed in accordance with the R-4 standards, while the applicant proposes to construct more than one single-family, two-unit, three-unit, and four-unit dwellings on the parcel which could be considered a multiple-dwelling development which will not conform to the standards of the R-4, Residential District; and

**WHEREAS**, Section 3312.25, Maneuvering, requires every parking space to have sufficient access and maneuvering area, while the applicant has agreed to provide a two-car garage and two additional stacked parking spaces, not required by code, in the driveway for each single-unit dwelling; and

**WHEREAS**, Section 3333.10, AR-12, area district requirements, prohibits residential densities in excess of 12 dwelling units per acre, while the applicant proposes to develop more dwelling units than the L-AR-12 acreage would permit although once the undeveloped portion of the L-AR-O and L-AR-12 site is counted, the density for the overall development is less than what the overall density would allow; and

**WHEREAS**, Sections 3333.22, Maximum side yard required, 3333.23, Minimum side yard permitted, and 3333.24, Rear yard, permit a perimeter yard to meet the maximum, minimum and rear yard requirements for an apartment complex or multiple-dwelling development only, while the applicant does not wish to provide a perimeter yard along the common property line between the parcels which comprise this proposed development; and

**WHEREAS**, Section 3370.06, Standards, requires any use to meet or exceed each minimum development standard of the underlying zoning classification unless more limited standards are specifically identified in the limited overlay development plan and/or text, in which event such more limited standards shall apply, while the applicant proposes to not comply with standards specified herein of the underlying L-AR-O, Limited Apartment Office District, L-AR-12 Limited Apartment Residential and zoning text; and

**WHEREAS**, Sections 3370.07, Conditions and Limitations, requires any use to conform to each condition or limitation specifically identified and imposed in the development plan and/or text, while the applicant does not wish to comply with the zoning text requirement that requires all apartment complex buildings to be at least two stories and not more than three stories in height; and

**WHEREAS**, City Departments recommend approval because Staff supports this Council Variance since it will repeal the previous two Council variances and combine the variances and commitments from those into one ordinance making this development easier to administer while maintaining the commitments of the previous two Council variances; and

**WHEREAS**, said ordinance requires separate submission for all applicable permits for the proposed use; and

**WHEREAS**, said variance will not adversely affect the surrounding property or surrounding neighborhood; and

**WHEREAS**, the granting of said variance will not impair an adequate supply of light and air to adjacent properties or unreasonably increase the congestion of public streets, or unreasonably diminish or impair established property values within the surrounding area, or otherwise impair the public health, safety, comfort, morals, or welfare of the inhabitants of the City of Columbus; and

**WHEREAS**, the granting of said variance will alleviate the difficulties encountered by the owners of the property located at **5855 CENTRAL COLLEGE ROAD**, in using said property as desired; now, therefore:
