1. BACKGROUND

The Mid-Ohio Regional Planning Commission (MORPC) will be accepting Transportation Improvement Program (TIP) applications through August 15, 2014. This is an opportunity for the city to secure outside funding for various roadway improvement projects. MORPC has up to \$50 million to distribute to all applicants for new projects from 2014 through 2019.

The current round of applications will be establishing the 2016-2021 TIP, as well as its long-range project listing. The Transportation Improvement Program is composed of these component sub-programs: The Surface Transportation Program (STP); the Transportation Enhancement Program (TE) and the Congestion Mitigation & Air Quality Program (CMAQ). MORPC requires that a designated official be authorized to submit said applications and execute project agreements for approved projects.

In addition to funding applications for projects not previously submitted, under its new rules MORPC requests the city "reauthorize" projects submitted prior to 2014 to reaffirm the city's continuing commitment to those projects.

This ordinance authorizes the Director of Public Service to submit applications and to execute project agreements for approved projects. Specific projects for which applications will likely be submitted are listed within the body of this ordinance.

2. FISCAL IMPACT

The TIP can fund up to eighty percent (80%) of total right-of-way and construction expenses. Preliminary engineering and design expenses are not eligible for funding, except in certain situation. No financial participation is required at this time. City funds will be expended within design and/or construction contracts that will be submitted in advance to City Council for approval.

To authorize the Director of Public Service to submit Federal Attributable Funds roadway improvement project applications to the Mid-Ohio Regional Planning Commission for consideration for funding within the Transportation Improvement Program and to authorize the Director of Public Service to execute project agreements for approved projects for the Department of Public Service. (\$0.00)

WHEREAS, the Mid-Ohio Regional Planning Commission (MORPC) will be accepting Transportation Improvement Program (TIP) applications through August 15, 2014; and

WHEREAS, this is an opportunity for the city to secure outside funding for various roadway improvement projects; and

WHEREAS, MORPC requires that a designated official be authorized to submit said applications and execute project agreements for approved projects; and

WHEREAS, MORPC requests that the city "reauthorize" projects submitted prior to 2014 to reaffirm the city's continuing commitment; now, therefore,

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:

Section 1. That the Director of Public Service be and hereby is authorized to submit roadway improvement project applications to the Mid-Ohio Regional Planning Commission for consideration for funding within the Transportation Improvement Program and/or its component sub-programs, the Surface Transportation Program (STP); the Transportation Enhancement Program (TE) and the Congestion Mitigation & Air Quality Program (CM/AQ) and that City Council hereby endorses applications for the following projects (ordinance numbers, where indicated, refer to the original and/or subsequent authorization actions by City Council):
