These funds will support the Boys and Girls Club's Great Future Initiative (\$69,150.00) and the Gladden Community House's Gladden Food Pantry (\$92,200).

This is the second year of a three year competitive grant award process which was put in place to achieve the following objective: to support goal oriented, outcome based social service programs and activities that will address critical needs in the Columbus community through a competitive process that enables new, successful and targeted programs to be funded. The awards target social service programs that fall into three priority areas including emergency and basic needs, employment and self-sufficiency, and social success for our residents and neighborhoods. Programs include, but are not limited to: day care, substance abuse prevention programs, refugee and resettlement programs, senior care, mediation services, services for the disabled, material assistance and food programs, workforce development, youth programs and other services. This funding will allow the process to continue much needed services.

Emergency action is necessary to avoid causing interruptions in the delivery of program services.

FISCAL IMPACT: Funding for this expenditure is allocated from the Emergency Human Services Fund (\$80,675.00) and the General Fund (\$80,675.00).
