**BACKGROUND:** This legislation authorizes the Director of the Department of Development to enter into grant agreements with Community Mediation Services and Jewish Family Services for the provision of services for a twelve-month period. The total amount of these grants is \$173,563.00.

The legislation targets social service programs that fall into one or more of the City’s three priority areas including emergency and basic needs, employment and self-sufficiency, and social success for our residents and neighborhoods. The two agencies receiving funding include:

- \* Community Mediation Services for homeless prevention and housing stabilization services;
- \* Jewish Family Services for a Job Readiness program for professional workers who qualify as “Dislocated Workers” under federal guidelines;

This funding will allow the agencies to continue much needed services.

Emergency action is necessary to avoid causing interruptions in the delivery of program services.

**FISCAL IMPACT:** Funding for these expenditures is allocated from the Emergency Human Services Fund (\$93,653.00) and the Jobs Growth Fund (\$80,000.00).
