BACKGROUND: This legislation authorizes the Director of the Department of Development to enter into a \$150,000 contract with the Economic and Community Development Institute (ECDI) for the administration of the Microenterprise Revolving Loan Program. The City has contracted with ECDI since 2005 to provide Columbus residents with an avenue for training and working capital for start-up businesses. During this time ECDI has closed over 130 microenterprise loans to Columbus-based businesses.

ECDI provides a network of comprehensive support to build the economic and social capacities of individuals, families, enterprises and communities. ECDI has become a leader in the field of micro lending, providing microenterprise training to an underserved

population including minorities, immigrants, refugees, asylees, low-income recipients and the working poor.

Emergency action is requested so that the contract with the Economic and Community Development Institute can be executed immediately to avoid an interruption in the delivery of program services.

FISCAL IMPACT: This legislation authorizes the expenditure of \$150,000 from the Community Development Block Grant Fund.
