BACKGROUND: The Board of Health was awarded a grant from the Ohio Department of Health for the Child and Family Health Services (CFHS) grant program. Ordinance No. 1026-2009 authorized the appropriation of funds to Object Level One 01, Object Level One 02, and Object Level One 03 of the Health Department Grants Fund for the CFHS Program for the fiscal year ending June 30, 2010. This ordinance authorizes a supplemental appropriation of \$85,000 from the unappropriated balance of the Health Department Grants Fund and a transfer of \$137,528 within this fund.

This additional appropriation and transfer will allow the CFHS grant program to enter into contracts for program services through June 30, 2010. The Child & Family Health Services (CFHS) program coordinates services among agencies that provide perinatal services to children and women of childbearing age, including public health nursing services.

This ordinance is submitted as an emergency so as to allow the financial transaction to be posted in the City's accounting system as soon as possible. Up to date financial posting promotes accurate accounting and financial management.

FISCAL IMPACT: The Child & Family Health Services Program is funded by the Ohio Department of Health and revenues received from client fees. The grant is administered in the Health Department Grants Fund.
