Background: This ordinance authorizes the Director of the Recreation and Parks Department to enter into contract with Tyeveco, Inc. for improvements to Audubon Park.

Audubon Park is a 7.35 Acre Park located between Hudson Street and Weber Road, East of I-71. This project will provide a new loop path, replacement of basketball court, and new playground, as well as associated storm water improvements for the park. These improvements will serve residents of the North Linden Area by providing a needed and easily accessible neighborhood recreation space.

Bids were advertised through Vendor Services, in accordance with City Code Section 329, and received by the Recreation and Parks Department on April 26, 2018. Bids were received from the following companies:

<u>Company</u>	<u>Status</u>	<u>Amount</u>
Tyeveco, Inc.	(MAJ)	\$276,394.00
M&D Blacktop	(MAJ)	\$375,000.00

After reviewing the proposals that were submitted, it was determined that Tyeveco, Inc. was the lowest and most responsive bidder.

Tyeveco, Inc. and all proposed subcontractors have met code requirements with respect to pre-qualification, pursuant to relevant sections of Columbus City Code Chapter 329.

Fiscal Impact: Ordinance 0154-2018 authorized the acceptance and appropriation of a grant, in the amount of \$75,017.00, and a grant match, in the amount of \$144,983.00, for this project. This ordinance will authorize additional grant match funds, in the amount of \$81,394.00. The additional matching funds will create a new total of \$301,394.00 in funding for this project. \$301,394.00 is budgeted and available in the Recreation and Parks Grant Fund 2283 and Voted Bond Fund 7702 to meet the financial obligations of this contract.

Emergency Justification: An emergency is being requested in order for work to begin during the summer season and allow the work to be complete prior to the NatureWorks Grant Deadline.

Benefits to the Public: Improving Audubon Park will benefit the surrounding community by providing a neighborhood park within walking distance of a large portion of the North Linden Area. Funding provided through the NatureWorks Grant will benefit the City by reducing the capital burden of the park development while also meeting the goals of the Ohio Department of Natural Resources in its administration of the grant.

Area(s) Affected: North Linden Planning Area (11)

Master Plan Relation: Improvement of Audubon Park would meet several strategies listed in the Master Plan including...

Acquire enough land to meet recommended standards for all classifications of parkland.

- Develop strategic partnerships (Ohio Department of Natural Resources Support through the NatureWorks Grant)
- Reevaluate existing properties and facilities to determine if each meets the needs of CRPD.

Remove access and circulation barriers to city parks

- Make facilities within a park accessible to pedestrians

Make acquiring land for neighborhood parks a high priority

- Locate neighborhood parks within one-half mile of all neighborhoods.
