1. BACKGROUND: This legislation authorizes the Director of Public Utilities to enter into a construction contract with Nickolas Savko & Sons, Inc., in the amount of \$543,610.92; to encumber funds with the Transportation Division for inspection, testing, and prevailing wage coordination services in the amount of \$83,000.00; to authorize the City Auditor to transfer a total of \$626,610.92 within the Storm Sewer Bond Fund; and to amend the 2007 Capital Improvements Budget; all in connection with the Moler Road Stormwater System Improvements Project.

2. CONSTRUCTION CONTRACT AWARD: The Director of Public Utilities publicly opened 10 bids on October 3, 2007. These bids were received from: Tata Excavating, Inc., \$483,128.44; Nickolas Savko & Sons, Inc., \$543,610.92; Danbert, Inc., \$546,344.45; Storts Excavation Inc., \$556,441.20; Shelly & Sands, \$596,863.62; Complete General Construction Co., \$602,645.45; Columbus Asphalt Paving, Inc., \$625,609.43; Loveland Excavating, \$719,583.30; George J. Igel & Company, Inc., \$723,735.60; and Fields Excavating Inc., \$728,273.70;

Tata Excavating submitted the lowest bid of \$483,128.44, however, it has been considered non-responsive because their bid bond was for \$48,000 while the required 10% amount is \$48,313 . The amount was incorrect due to a math error in the unit price extensions. Therefore, Nickolas Savko & Sons, Inc. is the lowest, responsible, responsive bidder. Additional information regarding each bidder, description of work, contract timeframe and detailed amounts can be found on the attached Legislation Information Form.
