Section 2. That the monies appropriated in the foregoing Section 1 shall be paid upon the order of the respective department directors or Elected Officials for which the appropriations are made except that small claims in amount not to exceed Two Thousand Five Hundred Dollars (\$2,500.00) may be paid as authorized by Chapter 335 of the Columbus City Code, 1959, as amended; and except that payments or transfers between departments, divisions or funds of the City may be made by the City Auditor; and except that payments for premiums for official bonds, depository commissions, employees' hospitalization, life insurance, pensions and dental insurance shall be made on the order and approval of the Director of the Department of Finance and Management or City Auditor; and except that the monies appropriated in the foregoing Section 1, Division No. 20-01, be paid upon the order of the City Clerk or President of City Council; and that no order shall be drawn or money paid except upon voucher, the form of which shall be approved by the City Auditor.

Section 3. Except in the matter of payrolls providing for the payment of the salaries of officers and employees regularly employed by the City and extraordinary emergencies, no warrant shall be issued in liquidation of vouchers, unless the department contracting the expense shall have first obtained an order duly certified that there are sufficient funds appropriated to the credit of the proper fund from which the expenditure is to be made, which certificate must be obtained prior to the incurrence of the obligation, and the head of any department or division authorized to contract expenditures will be held personally responsible for any obligation incurred contrary to the provisions of this section.
